The Virginia On-Time Graduation Rate expresses the percentage of students in a cohort who earned a Board of Education approved diploma within four years of entering high school for the first time. Percentages are based on longitudinal student-level data and account for student mobility and retention and promotion patterns.

The Graduation Rate as defined by the Board of Education:

On-Time Graduates in Year X

 [(# of 1st time entering 9th graders in year X - 4) +
 (Transfers in) - (Transfers out and deceased)]

Sources: Percentages are based on the Virginia Department of Education State- and Division-Level Cohort Reports, Four-Year Rate (retrieved 2/11/26). Percentages in subsequent reports may change as student records are updated throughout the year.
