

UCVTS Technology Department

SENIOR TECHNOLOGY INTERNSHIP!

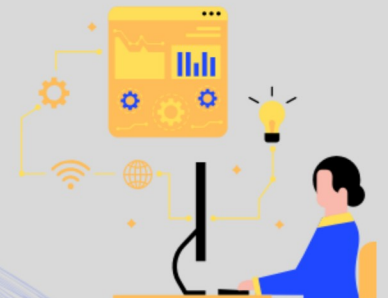

**APPLY BY
JANUARY 30TH,
2026!**

Scan to fill out the app!

REQUIREMENTS

- Be a rising senior
- Available to work AT LEAST 6 weeks over the summer
- Fill out an application
- Must participate in an interview process
- Must have reliable transportation to and from school during the summer
- Positive disciplinary record, demonstrating responsible behavior and adherence to school policies

ABOUT THE POSITION:

- During the summer, interns work on projects, receive training on Technology Department operations, and learn how to manage technology work orders for the upcoming school year.
- During the school year, interns spend part of their day assisting with help desk tickets for academic credit. This may include tasks such as—but not limited to—troubleshooting basic hardware and software issues, assisting staff with account login issues, configuring and maintaining devices, installing approved software, and documenting solutions.
- Interns may also work, for pay, after-school hours during the school year

SELECTION PROCESS EXPLAINED:

- Academic performance, particularly in core classes (Freshman–Junior years)
- Attendance record
- Interview performance
- Recommendations
