NEW BOOKS

From Nate Powell, the National Book Award-winning artist of March, a collection of graphic nonfiction essays about living in a new era of necessary protest.

- PHANTOM HEARTS** by Sarah Maxwell  The life and legacy of pioneering international basketball superstar Hakeem Olajuwon, a two-time NBA champion whose Hall of Fame career forever changed the game, both in the United States and around the globe.
- SAVE IT FOR LATER** by Nate Powell  Beautiful graphic novel, murder mystery, and love story. Perfect for fans of Heatstopper and A Good Girl's Guide to Murder.
- DREAM** by Mirin Fader  THE LIFE AND LEGACY OF HAKEEM OLAJUWON
- Who Owns the Moon?** by Cynthia Levinson and Jennifer Swanson  This primer on what to know for a future in space combines technology and science with law and policy for a fascinating look at a very timely subject.

TEACHER'S CORNER

Parlay is a seamless digital tool meant to facilitate meaningful classroom discussions. It allows teachers to track student participation, analyze responses, and provide feedback in real-time. With a library of customizable prompts and a user-friendly platform, Parlay makes it easier to engage reluctant learners in productive conversations. Use it for Socratic seminars, debates, reflective journaling, and more! Watch an overview of the tool, then learn more about how teachers are using the [written roundtable](#) feature and the [verbal roundtable](#).
