Joliet Township High School

Field Trip Notice

To participate in a field trip, a student must have this form completed in its entirety and in the hands of the sponsor by 03-02-2026
Date

All forms are then sent (by teacher) to the respective dean before leaving on the field trip. Teacher approval is required before a parent signature.

Students are responsible for obtaining assignments from teachers.
Assignments due the day of a field trip are to be turned in before departure.

Parental/Guardian Approval

Approval requirements:
(1) *Teacher Approval* (back page) is properly and completely filled out.
(2) "Yes" box is checked.
(3) Parent/Guardian signature.
***If these requirements are not met, a student will not be allowed to participate.**

In giving my approval, I am aware that an adult sponsor will be in authority that precaution will be taken to safeguard all students, but that beyond such the school assumes no responsibility. I am also aware that all District 204 rules and regulations apply.

☐ Yes _____ Parent/Guardian Signature ☐ No

Teacher Approval *(Back Page)*

Teachers are to sign and check "Yes" if they approve student participation in a field trip. Not doing so does not prevent a student from participating; however it may indicate that a student has missed a considerable amount of class time, or that a student's work is below average. Teachers should inform students of what assignments are expected to be complete upon return to class.
