Catapult Learning

Flexible implementation options give you the ability to select the **services you need** where & how you need them

Catapult Learning can provide flexible implementations for all your Title services. In fact, as the nation's leading provider of K-12 academic solutions and as a long-standing partner of non-public schools in the Milwaukee area, we are uniquely positioned to support your school. Catapult Learning's service solutions enable schools to:

Available Services	Title IA	Title IIA	Title IIIA	Title IVA
Direct Intervention Instruction. Our proven instructional model provides direct interventions services in reading and math and includes our curriculum and teachers. TIA direct intervention instruction is supplemental and targeted to TIA eligible students.	$99 / hr			$99 / hr
Instruction for EL Students. Catapult Learning coaches will introduce practices to effectively differentiate instruction, improve teaching and learning for multilingual language learners, and to address their most pressing needs.			$99 / hr	
Family Engagement. During our family engagement workshops, instructors will model, and parents will practice strategies for assisting students.	$440 / hr		$440 / hr	$440 / hr
Academic Support. Catapult Learning offers individual and small group academic support services for students currently receiving TIA instructional services. These sessions can focus on areas such as time management, organization, and attendance, or other areas that impact academic performance. **Counseling (SEL).** Catapult Learning offers counseling to support students' social-emotional learning needs.	$99 / hr			$99 / hr
Professional Development. Catapult Learning is a leading provider of professional development solutions, offering a wide range of synchronous and asynchronous workshops and coaching options for teachers and leadership staff, hosted at your school – or virtually and tailored to your staff. We offer monthly PD institutes, featuring nationally renowned educational experts and timely topic and themes in education, providing high-quality personalized professional development that is evidence-based.	$440 / hr	$440 / hr	$440 / hr	$440 / hr
Coaching. Effectively implement and advance best practices through our collaborative coaching sessions which take place in one-on-one or small group settings.	$440 (2 hrs)	$440 (2 hrs)	$440 (2 hrs)	$440 (2 hrs)
Student Enrichment. Catapult Learning provides student enrichment activities that provide all students with access to a well-rounded education, improve school conditions for student learning, and enhance the use of technology to improve academic achievement and digital literacy.				$127 / hr

Why Choose Catapult Learning?

Expertise
We have decades of experience, both locally and nationally, in advocating on behalf of non-public schools.

Technology
From inventory management to real-time access to title fund balances to tracking orders, our platforms are on the cutting edge of technology.

Support
Catapult's diverse team of skilled professionals is always here to support your instruction, PD, and operational efforts. And our supervisors are always available as thought partners.

Transparency
Clarity is important to us, so we are always transparent in our communications and processes.

Flexibility
We provide the ability to purchase materials from any store or vendor.

Teacher and Curriculum Excellence
Our proprietary curriculum is designed specifically for intervention instruction, which is delivered by our highly qualified, committed, and passionate teachers.

Investment in Staff
We put a high priority on the training and development of intervention teachers throughout the year.

Partnership That Leads to Results

Catapult Learning understands the critical need for you to provide the high-quality education your students deserve — and we are here to support your school. In fact, during the 2024-2025 school year, Catapult Learning provided services to **38** non-public schools in Milwaukee and the surrounding area, including nearly **2,700** services such as reading and math intervention, academic support, and ELL support to nearly **1,700** students. As our school partnerships expand, student pre- and post-test scores continue to reveal positive academic gains.
