Bulletin No. 26-027

TO: Chief Business Officials and Directors of Fiscal Services
San Bernardino County School Districts

Subject: Common Message, 2025-26 Second Interim

Since May 2008, county office chief business officials have crafted common messages to give guidance to school districts on assumptions for budget and interim reports. The goal of the Business and Administration Steering Committee (BASC) is to provide county office chief business officials with a consistent message, based on assumptions used by the California Department of Finance, which can be used in providing guidance to school districts.

This edition of the Common Message is intended to provide information and guidance to assist LEAs in developing 2025-26 Second Interim reports and their multiyear projections (MYPs). It addresses changes made since the 2025-26 Adopted Budget and the release of the governor's proposed 2026-27 state budget and provides guidance on implementation of those changes.

Sincerely,

Ted Alejandre
County Superintendent of Schools

Thomas G. Cassida, Jr.
