IB: 004487

UCAS: 42857

School Community

KIS was established in 1998 with a student-centered mindset from the start. From a beginning as Kazakhstan's first Montessori-based kindergarten, our school community has grown to be an established international school, and the first in Kazakhstan to be accredited to offer all three IB programs. At KIS, we are more than academics; we are a learning community of students, parents, teachers, and staff working together to create a school culture that ensures a world-class, international education.

KIS

MISSION AND VISION

M: The KIS Community nurtures a growth mindset through a holistic education that connects cultures.

V: To be a caring, impactful community that excels in learning and life.

KIS is a **values-driven** community. Guided by the IB learner profile, the KIS community embodies our core values of: learning, safety, relationships, resilience, dignity and diversity.

125

students in the high school
