

# Please join us for a “Pajama Day” on Wednesday, March 11th

Lala & Mimi’s Pajama Project is a nonprofit organization that was started when Hamilton Township kindergarten twins asked for pajamas instead of birthday gifts. Now, juniors in college, their younger brothers are keeping their mission going. Together, they have given out over 25,000 pairs of pajamas to date!

If you would like to participate in Pajama Day, we are asking for a \$5 donation. In exchange, you can wear your own pajamas to school as we raise awareness for those children who are less fortunate.

**All proceeds from this event will go towards benefiting children in Mercer County.**

The mission of the organization is to provide basic bedtime comfort for all children in New Jersey by giving new pajamas to children ages newborn to 18. We hope to reach all those with compassion and dignity. Let's help the kids of Mercer County feel a little better at bedtime knowing they have a pair of new pajamas to put on.
