# Media Advisory

## *CCSD's An Evening with the Stars presents Through the Decades*

**Who:** Media outlets are welcome and encouraged to cover the event.

**What:** Charleston County School District's (CCSD) will celebrate teachers and principals with a blast from the past at 10th annual gala, *An Evening with the Stars presents Through the Decades*, which is funded by the generosity of donors locally, regionally, and nationally, and celebrates educators in CCSD, including the 2025-2026 Teachers of the Year from each school and the [2025-2026 Star Principals](#).

The event will shine a spotlight on public education through meaningful community partnerships, celebrate the exceptional teachers and administrators who are driving student achievement, and provide critical funding for the district's annual Charleston Educator Symposium. The three-day conference brings together principals and teachers for a premier professional learning experience designed to elevate instruction and student success in every classroom across CCSD.

**When:** Saturday, February 21, 2026; doors open at 7:00 p.m., and the program starts at 8:00 p.m.

**Where:** Embassy Suites Charleston Convention Center, 5055 International Boulevard, North Charleston, SC 29418

For more information, contact CCSD's Office of Communications at (843) 937-6303.

### About the Charleston County School District

Charleston County School District (CCSD) is a nationally accredited school district committed to providing equitable and quality educational opportunities for all its students. CCSD is the second-largest school system in South Carolina and represents a unique blend of urban, suburban, and rural schools spanning 1,300 square miles along the coast. CCSD serves approximately 51,000 students in 90 schools and specialized programs.

CCSD offers a diverse portfolio of educational options and specialized programs delivered to the students of CCSD through neighborhood, magnet, IB (international baccalaureate), Montessori, and charter schools and programs. Rich educational opportunities for students include programs in science, technology, engineering, and mathematics (STEM); music and other creative and performing arts; career and technical preparation programs; military; dual credit; and many more.
