Site – 6.487 acres between West 30th and West 31st

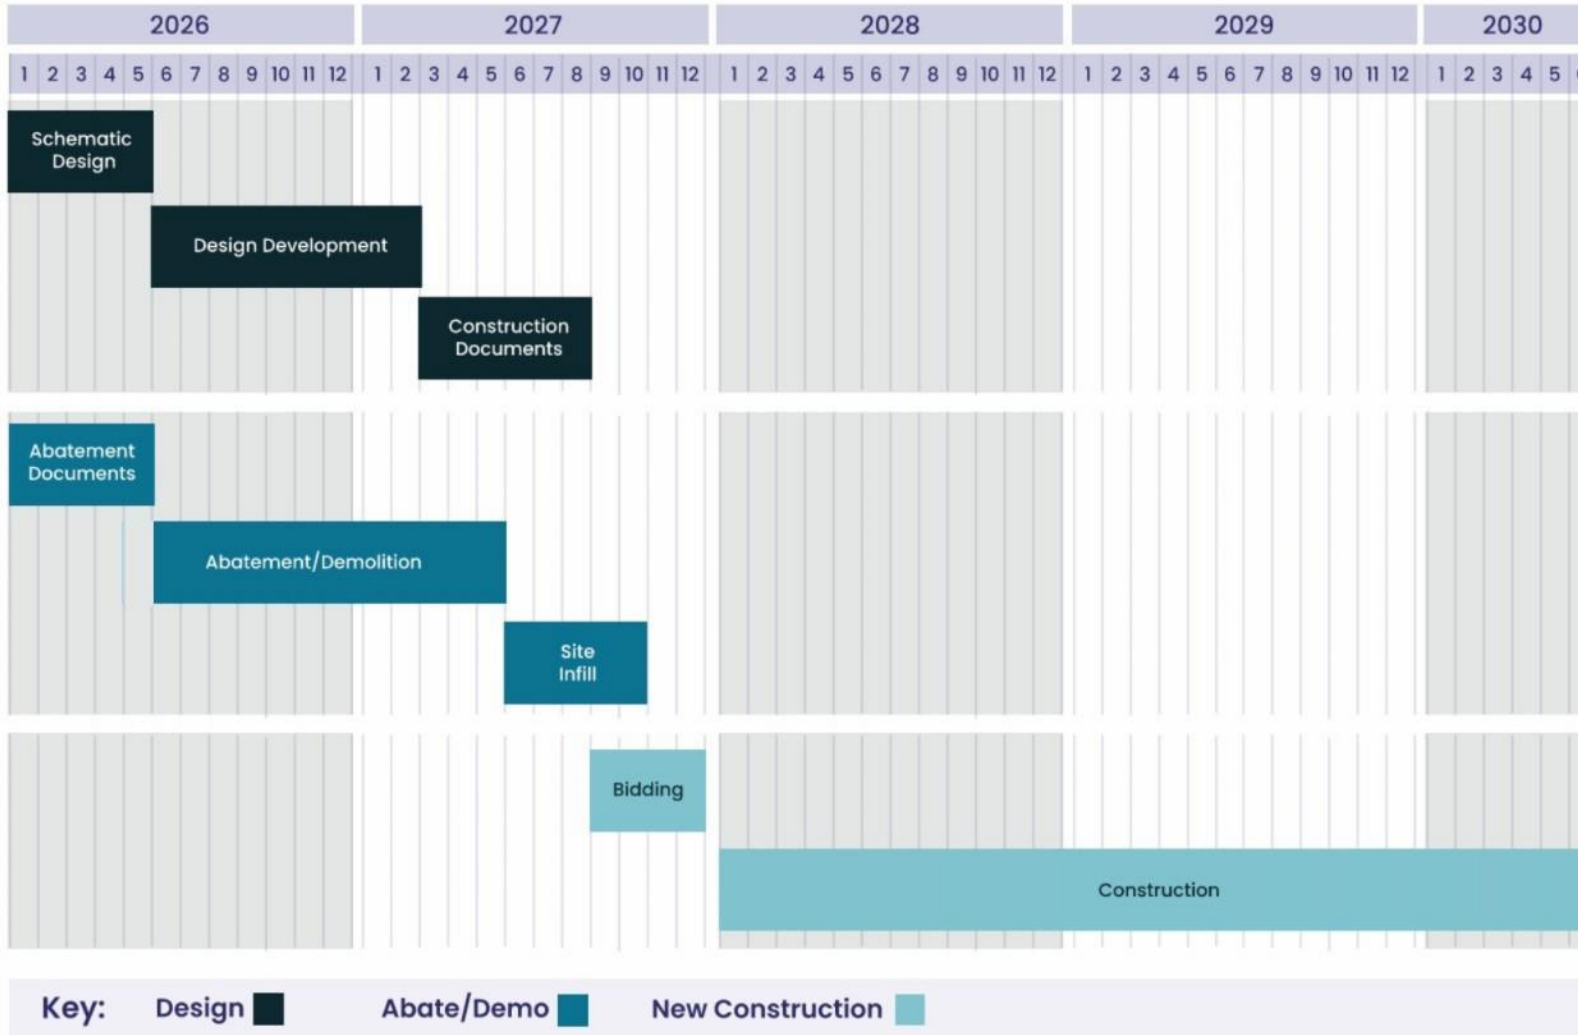

Existing Building – 250,000 SF opened in 1970

Proposed Building – 179,000 SF includes 600 seat Auditorium

Designed for 1000 students, OFCC Program of Requirements

Lincoln-West

Project Schedule (January 2026 - June 2030)

Site Plan and Floor Plans

Site Design Objectives

Minimize the footprint of the building on site (3 stories).

Maximize the greenspace around the building.

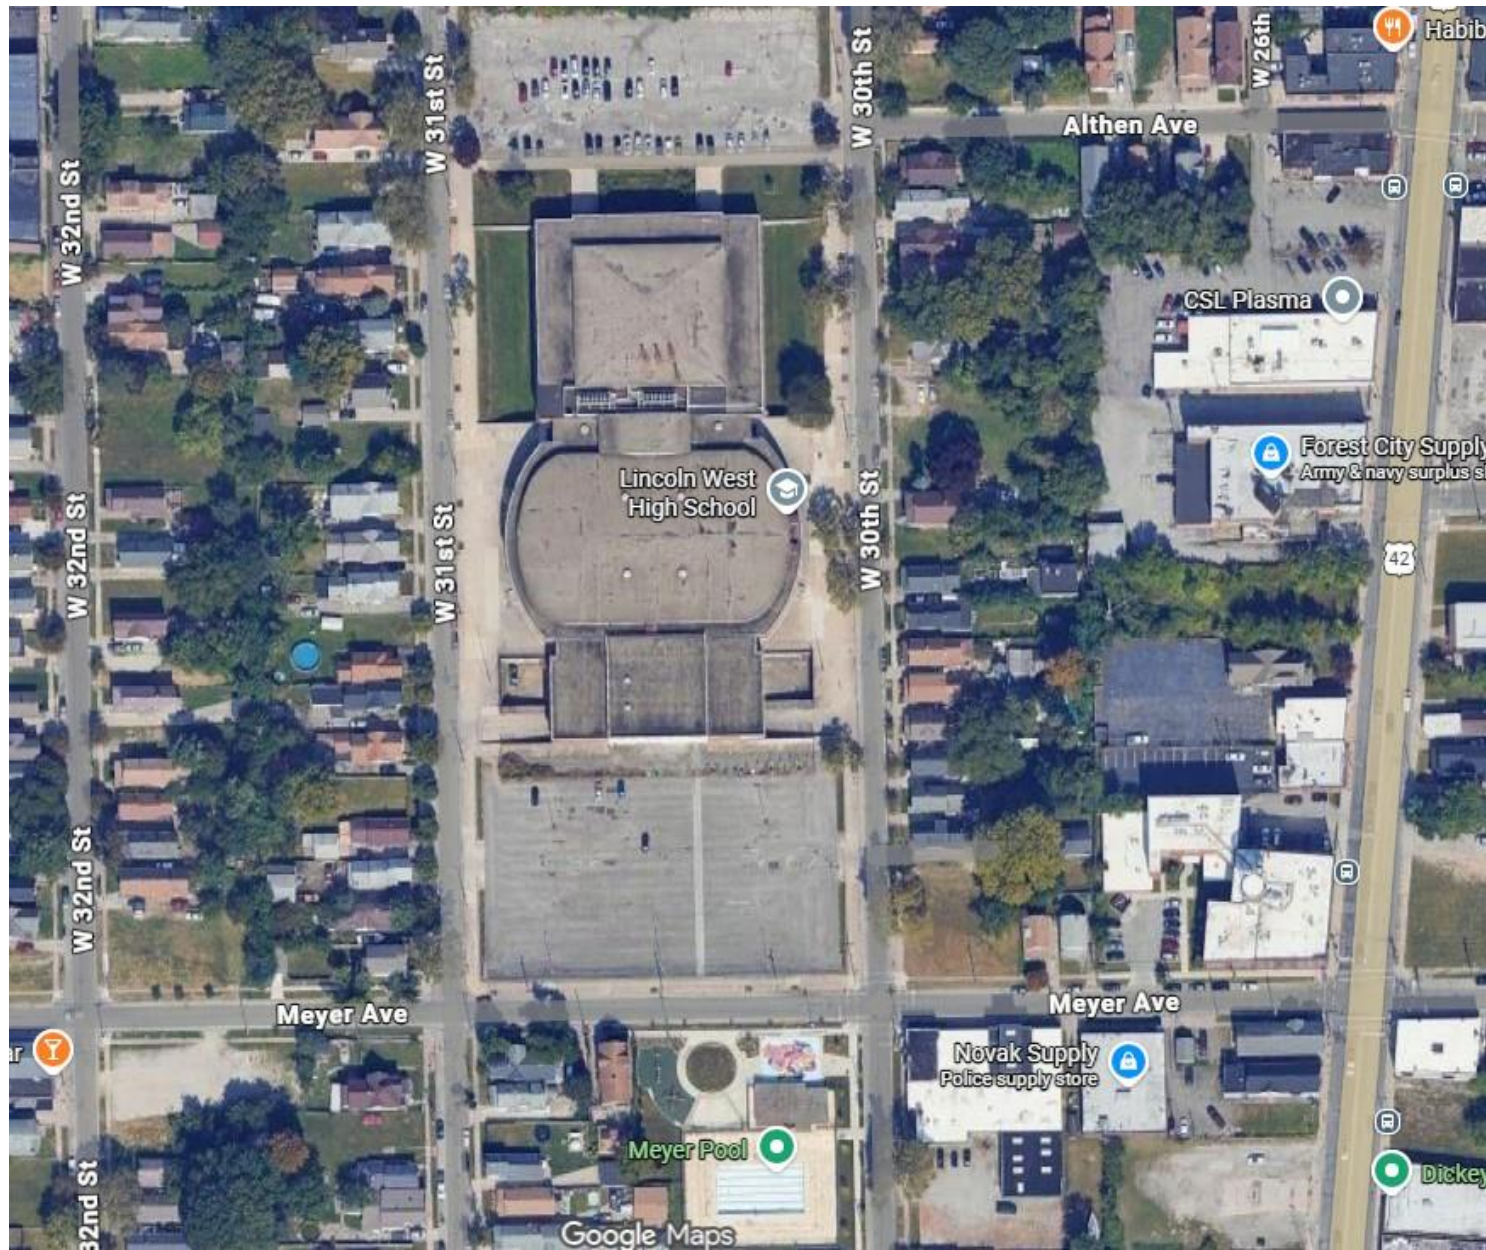

Provide adequate parking for staff, visitors and students.

Optimize the traffic flow for bus and parent drop-off and pick-up.

Consider the approach to the building from surrounding streets

Consider the relationship of the building to the surrounding neighborhood.

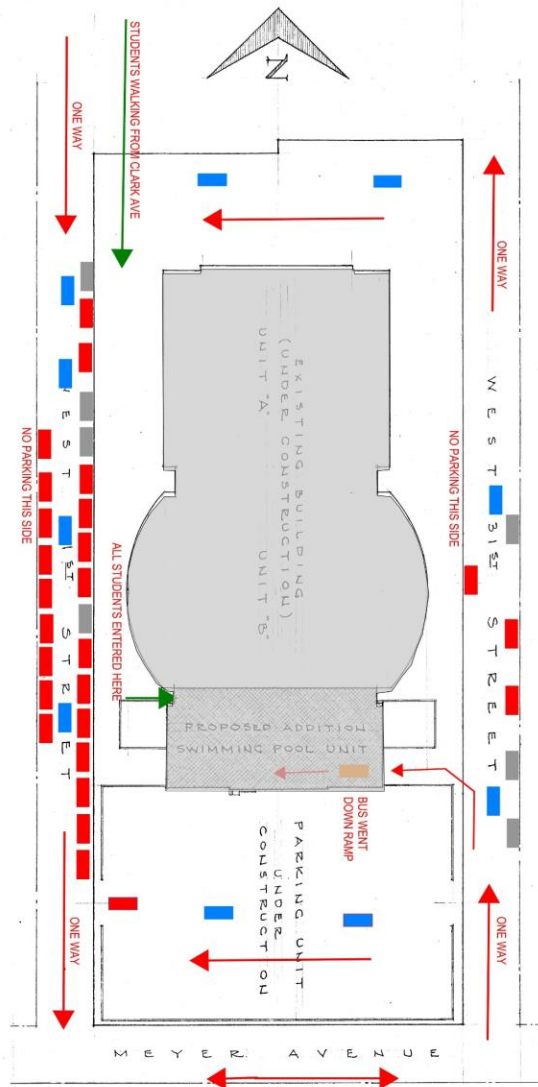

Consider the relationship of the building to the Meyer Pool.
