

TUSD 2026/2027 TRANSPORTATION PUBLIC FORUM

TUSD Transportation Plan

In the development of the annual TUSD Transportation Plan, input by our educational partners is critical. This public forum seeks feedback regarding TUSD transportation and the impact on student achievement for the 2026/2027 school year. Your participation assists TUSD Transportation Department in continuing to improve the safe transport of TUSD students.

For more information, please contact Lydia Thompson,
Director of Maintenance, Operations and Transportation
lythompson@tusd.net or 209-830-3216
