IV. REPORTING PROCEDURES

A. Any person who believes he or she has been the target or victim of harassment or violence on the basis of Protected Class by a student, teacher, administrator, or other charter school personnel, or any person with knowledge or belief of conduct which may constitute harassment or violence prohibited by this policy toward a student, teacher, administrator, or other school personnel or group of students, teachers, administrators, or other school personnel should report the alleged acts immediately to an appropriate school official designated by this policy. A person may report conduct that may constitute harassment or violence anonymously. However, the school may not rely solely on an anonymous report to determine discipline or other remedial responses.

B. The charter school encourages the reporting party or complainant to use the report form available from the director, principal, or building supervisor or available from the school office, but oral reports shall be considered complaints as well.

C. Nothing in this policy shall prevent any person from reporting harassment or violence directly to a charter school human rights officer or to the executive director. If the complaint involves the building report taker, the complaint shall be made or filed directly with the executive director or the school human rights officer by the reporting party or complainant.

D. In Each School Building

The executive director, building principal, the principal's designee, or the building supervisor (hereinafter the "building report taker") is the person responsible for receiving oral or written reports of harassment or violence prohibited by this policy at the building level. Any adult charter school personnel who receives a report of harassment or violence prohibited by this policy shall inform the building report taker immediately. If the complaint involves the building report taker, the complaint shall be made or filed directly with the executive director or the charter school human rights officer by the reporting party or complainant. The building report taker shall ensure that this policy and its procedures, practices, consequences, and sanctions are fairly and fully implemented and shall serve as a primary contact on policy and procedural matters.

E. A teacher, school administrator, volunteer, contractor, or other school employee shall be particularly alert to possible situations, circumstances, or events that might

include acts of harassment or violence. Any such person who witnesses, observes, receives a report of, or has other knowledge or belief of conduct that may constitute harassment or violence shall make reasonable efforts to address and resolve the harassment or violence and shall inform the building report taker immediately. Charter school personnel who fail to inform the building report taker of conduct that may constitute harassment or violence or who fail to make reasonable efforts to address and resolve the harassment or violence in a timely manner may be subject to disciplinary action.

F. Upon receipt of a report, the building report taker must notify the charter school human rights officer immediately, without screening or investigating the report. The building report taker may request, but may not insist upon, a written complaint. A written statement of the facts alleged will be forwarded as soon as practicable by the building report taker to the human rights officer. If the report was given verbally, the building report taker shall personally reduce it to written form within 24 hours and forward it to the human rights officer. Failure to forward any harassment or violence report or complaint as provided herein may result in disciplinary action against the building report taker.

G. In the Charter School

The school board hereby designates the executive director as the charter school human rights officer to receive reports or complaints of harassment or violence prohibited by this policy. If the complaint involves the human rights officer/executive director, the complaint shall be filed directly with the school board chair.

H. The charter school shall conspicuously post the name of the human rights officer/executive director, including mailing addresses and telephone numbers.

I. Submission of a good faith complaint or report of harassment or violence prohibited by this policy will not affect the complainant or reporter's future employment, grades, work assignments, or educational or work environment.

J. Use of formal reporting forms is not mandatory.

K. Reports of harassment or violence prohibited by this policy are classified as private educational and/or personnel data and/or confidential investigative data and will not be disclosed except as permitted by law.

L. The charter school will respect the privacy of the complainant(s), the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the charter school's legal obligations to investigate, to take appropriate action, and to comply with any discovery or disclosure obligations.

M. Retaliation against a victim, good faith reporter, or a witness of violence or harassment is prohibited.

N. False accusations or reports of violence or harassment against another person are prohibited.

O. A person who engages in an act of violence or harassment, reprisal, retaliation, or false reporting of violence or harassment, or permits, condones, or tolerates violence or harassment shall be subject to discipline or other remedial responses for that act in accordance with the charter school's policies and procedures.

Consequences for students who commit, or are a party to, prohibited acts of violence or harassment or who engage in reprisal or intentional false reporting may range from remedial responses or positive behavioral interventions up to and including suspension and/or expulsion.

Consequences for employees who permit, condone, or tolerate violence or harassment or engage in an act of reprisal or intentional false reporting of violence or harassment may result in disciplinary action up to and including termination or discharge.

Consequences for other individuals engaging in prohibited acts of violence or harassment may include, but not be limited to, exclusion from charter school property and events and/or termination of services and/or contracts.

V. INVESTIGATION

A. By authority of the charter school, the human rights officer, within three (3) days of the receipt of a report or complaint alleging harassment or violence prohibited by this policy, shall undertake or authorize an investigation. The investigation may be conducted by school officials or by a third party designated by the charter school.

B. The investigation may consist of personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The investigation may also consist of any other methods and documents deemed pertinent by the investigator.

C. In determining whether alleged conduct constitutes a violation of this policy, the charter school should consider the surrounding circumstances, the nature of the behavior, past incidents or past or continuing patterns of behavior, the relationships between the parties involved, and the context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy requires a determination based on all the facts and surrounding circumstances.

D. In addition, the charter school may take immediate steps, at its discretion, to protect the target or victim, the complainant, and students, teachers, administrators, or other charter school personnel pending completion of an investigation of alleged harassment or violence prohibited by this policy.

E. The alleged perpetrator of the act(s) of harassment or violence shall be allowed the opportunity to present a defense during the investigation or prior to the imposition of discipline or other remedial responses.

F. The investigation will be completed as soon as practicable. The charter school human rights officer shall make a written report to the school board chair upon completion of the investigation. If the complaint involves the human rights officer, the report may be filed directly with the school board chair. The report shall include a determination of whether the allegations have been substantiated as factual and whether they appear to be violations of this policy.

VI. CHARTER SCHOOL ACTION

A. Upon completion of an investigation that determines a violation of this policy has occurred, the charter school will take appropriate action. Such action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination, or discharge. Disciplinary consequences will be sufficiently severe to try to deter violations and to appropriately discipline prohibited behavior. School action taken for violation of this policy will be consistent with requirements of applicable collective bargaining agreements, Minnesota and federal law, and applicable school policies and regulations.

B. The charter school is not authorized to disclose to a victim private educational or personnel data regarding an alleged perpetrator who is a student or employee of the charter school. School officials will notify the targets or victims and alleged perpetrators of harassment or violence, the parent(s) or guardian(s) of targets or victims of harassment or violence and the parent(s) or guardian(s) of alleged perpetrators of harassment or violence who have been involved in a reported and confirmed harassment or violence incident of the remedial or disciplinary action taken, to the extent permitted by law.

C. In order to prevent or respond to acts of harassment or violence committed by or directed against a child with a disability, the charter school shall, where determined appropriate by the child's individualized education program (IEP) or Section 504 team, allow the child's IEP or Section 504 plan to be drafted to address the skills and proficiencies the child needs as a result of the child's disability to allow the child to respond to or not to engage in acts of harassment or violence.

VII. RETALIATION OR REPRISAL

The charter school will discipline or take appropriate action against any student, teacher, administrator, or other charter school personnel who commits an act of reprisal or who retaliates against any person who asserts, alleges, or makes a good faith report of alleged harassment or violence prohibited by this policy, who testifies, assists, or participates in an investigation of retaliation or alleged harassment or violence, or who testifies, assists, or participates in a proceeding or hearing relating to such harassment or violence. Retaliation includes, but is not limited to, any form of intimidation, reprisal, harassment, or intentional disparate treatment. Disciplinary consequences will be sufficiently severe to deter violations and to appropriately discipline the individual(s) who engaged in the harassment or violence. Remedial responses to the harassment or violence shall be tailored to the particular incident and nature of the conduct.

VIII. RIGHT TO ALTERNATIVE COMPLAINT PROCEDURES

These procedures do not deny the right of any individual to pursue other avenues of recourse which may include filing charges with the Minnesota Department of Human Rights or another state or federal agency, initiating civil action, or seeking redress under state criminal statutes and/or federal law.

IX. HARASSMENT OR VIOLENCE AS ABUSE

A. Under certain circumstances, alleged harassment or violence may also be possible abuse under Minnesota law. If so, the duties of mandatory reporting under Minn. Statutes Chapter 260E may be applicable.

B. Nothing in this policy will prohibit the charter school from taking immediate action to protect victims of alleged harassment, violence, or abuse.

X. DISSEMINATION OF POLICY AND TRAINING

A. This policy shall be conspicuously posted throughout each school building in areas accessible to students and staff members.

B. This policy shall be given to each charter school employee and independent contractor who regularly interacts with students at the time of initial employment with the charter school.

C. This policy shall appear in the student handbook.

D. The charter school will develop a method of discussing this policy with students and employees.

E. The charter school may implement violence prevention and character development education programs to prevent and reduce policy violations. Such programs may offer instruction on character education including, but not limited to, character

qualities such as attentiveness, truthfulness, respect for authority, diligence, gratefulness, self-discipline, patience, forgiveness, respect for others, peacemaking, resourcefulness, and/or sexual abuse prevention.

F. This policy shall be reviewed at least annually for compliance with state and federal law.
