

School Improvement Goals

2025 - 2026

Spring Ridge Middle School

For each goal, enter the prior year's percentage from the SIP Goals Report under "Baseline." Then, decide on and enter your school-specific goal under "School Goal." The percentage change will auto-populate. You are asked to choose the same one or two focus groups for all of your metrics and apply the strategies you develop in your SIP focus areas to one or both of your focus groups. Next to "Rationale," explain why you chose this focus group and/or percentage change.
