February 2, 2026

Good afternoon Timberlane and to the communities of Atkinson, Danville, Plaistow and Sandown.

This is Justin Krieger, Superintendent of Schools for the Timberlane Regional School District. Today is Monday, February 2nd, and I am writing with information regarding the upcoming Deliberative Session scheduled for Thursday, February 5th @ 7 PM in the Performing Arts Center located at 40 Greenough Road in Plaistow.

First, with regard to any potential weather challenges, the authority to postpone the Deliberative Session rests with the District Moderator. We will monitor the weather this week, be in contact with the District Moderator, and communicate to the public any necessary information via district social media channels, the district website, and direct communication with TRSD families of students and staff.

Second, I encourage all residents to attend and participate in this democratic process that helps to shape the school district and the respective towns. To support this democratic forum, although the Attorney General has determined that deliberative sessions are not elections, I ask you that it remains free of electioneering - including signs - so that all members of our community can enter and participate in a safe manner.

Lastly, each town has committed to support voter check-in with Supervisors of the Checklist beginning at 6 PM. Space is at a premium in the lobby area and surrounding classrooms, so please arrive to check-in and enter the auditorium to support an efficient process and a timely start.

Below is a link to all TRSD informational materials for the Deliberative Session:

I wish you well this evening and for the rest of the week and very much hope to see you participating with us Thursday evening.

Be well,

Justin Krieger
Superintendent of Schools
