Health	0.5	0.5	0.5
Electives	4.5	4	4
Total Credits	**26**	**24.5**	**24**

* The 3rd credit of Science and the 3rd credit of Math are chosen by the student based on the student's interest and High School and Beyond Plan (WAC 180-51-068). Two of the three required Science credits must be from lab-based Science classes.

** Personal Pathway Requirements: Three credits that lead to a specific post-high school career outcome chosen by the student, based on the student's interests and High School & Beyond Plan. 1.0 credit of Art and 2.0 World Language credits may be replaced with courses that are part of the student's High School & Beyond plan. World Language is specifically required for 4-year college directly out of high school. Students that are fluent in a language other than English can earn up to 4 high school credits depending on their level of proficiency as demonstrated on the World Language Competency Exam, which is given each year at MHS.
