Re: The Academic Team Championships

The Nevada Interscholastic Activities Association (NIAA) and Ingraham Trophies are proud to release the Academic Team Champions for Winter 2026. Congratulations to all schools, especially the overall sport and classification winners! The NIAA Academic Team State Championship celebrates teamwork not only in sports competitions but also in the classroom.

This recognition acknowledges teams in the Association's sanctioned and recognized sports and identifies an Academic State Champion in each classification based on unweighted grade point averages (GPA) for full varsity teams participating in sanctioned sports.

The NIAA and Ingraham Trophies also recognize varsity student-athletes with a 4.0 unweighted GPA from the previous semester by naming them to the All-State Academic Team. The NIAA and Ingraham Trophies commend all our student-athletes for their dedication and hard work on and off the fields of competition.

2026 Winter Season State Academic Team Champions

The Nevada Interscholastic Activities Association (NIAA), the governing body for high school sports in the Silver State, is proud to annually present a special award to the team achieving the highest grade point average in each sports classification.

Additionally, the NIAA honors varsity student-athletes who attained a 4.0 grade point average (GPA) in the previous semester by naming them to the All-State Academic Team.

The team GPA is calculated by averaging the unweighted GPAs of all varsity team members from the last semester. The NIAA regards the State Academic Championship award as equally significant as the Athletic Championship award. As NIAA coaches and administrators consistently emphasize, participants are students first and athletes second.

The NIAA would like to announce this year's State Academic team champions:

Girls Basketball				Boys Basketball			
1A	1st	Pahrnagat Valley	3.91	1A	1st	Pahrnagat Valley	3.81
