Incoming freshmen from other schools will be given an opportunity to join leadership in the fall if they choose to.

STUDENT LEADERSHIP PURPOSE: To promote leadership in the home, school, and community, to raise academic standards, promote a closer relationship between students and the school (administration and all staff), and develop between educators and the student body such united efforts to secure for all students the highest advantages in education.

Student applications must contain the name of the applicant and the signatures of 15 staff members who nominate said applicant for position in student leadership. Applications must be submitted by the deadline and all eligibility requirements must be met at time of application.
