Offering uninterrupted ocean views and ideal beachfront locations, expansive guest rooms invite you to stay in the heart of everything, with easy access to the resort's restaurants, multiple pools and recreation amenities including a sports and activities center as well as volleyball, basketball and tennis facilities.

# EXPERIENCES TO SAVOR

Land and sea are astonishingly generous here—and you'll be able to taste that generosity in every varied, delicious bite. A selection of five concept restaurants, which include the acclaimed Estiatorio Milos, Casa De Brasa and El Puesto is where you can treat your palates to flavors created using fresh, organic ingredients—many sourced from our 18 acres of organic farms. And if you're looking for a more intimate and exclusive culinary experience, sit down for a unique Farm to Table dinner in the Costa Palmas Nursery for a free-flowing signature celebration of the senses.

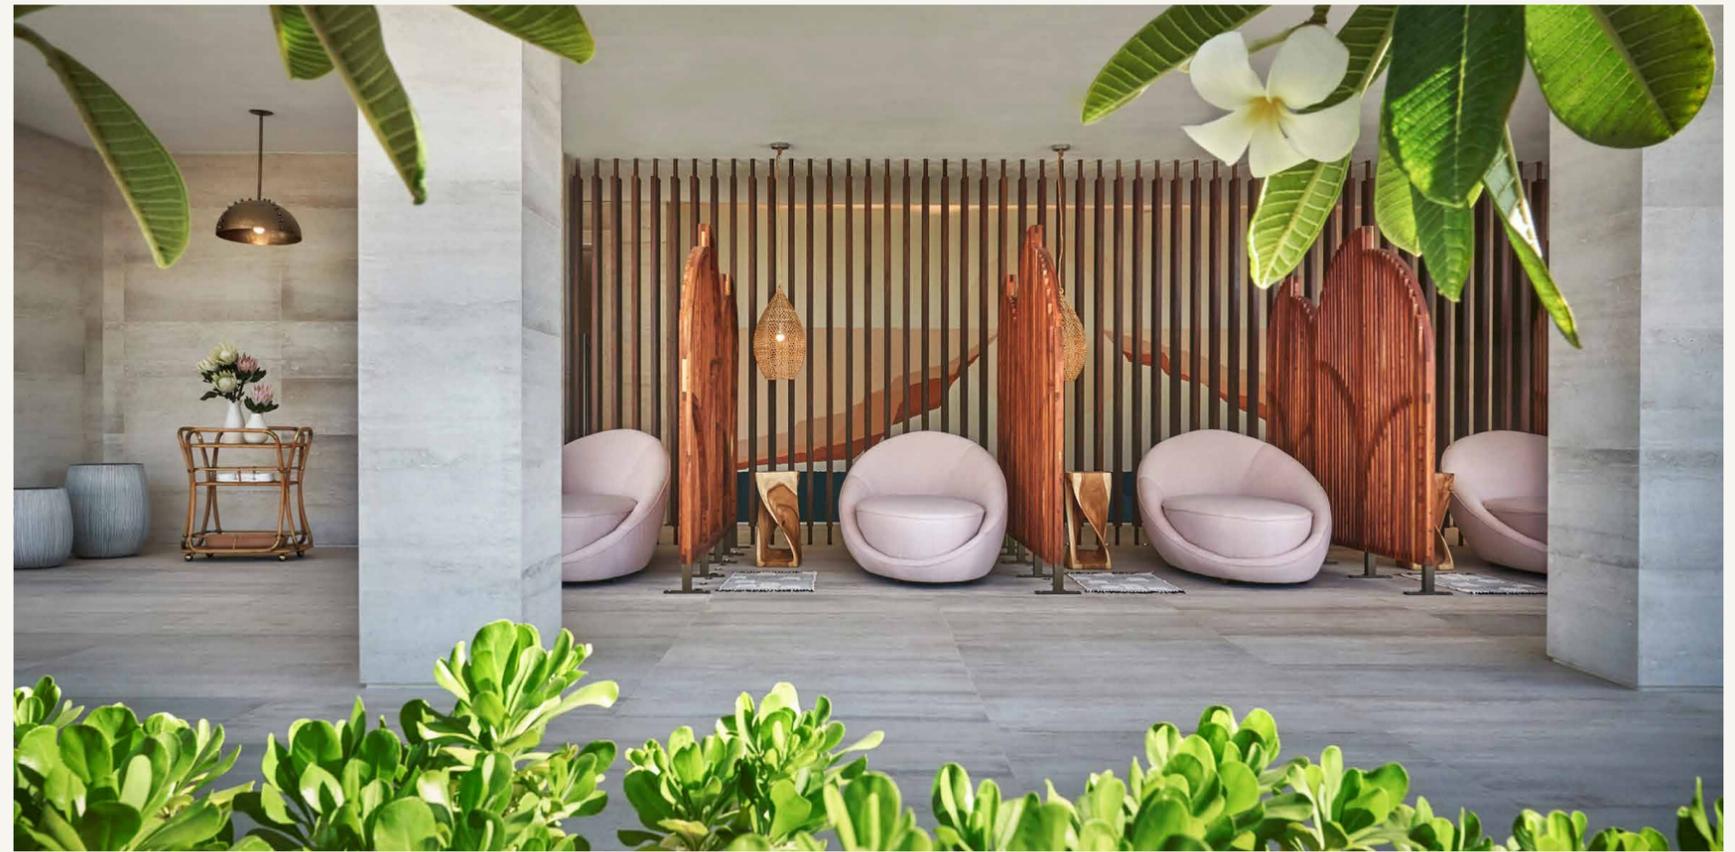

# THE SPIRIT OF AVENTURA

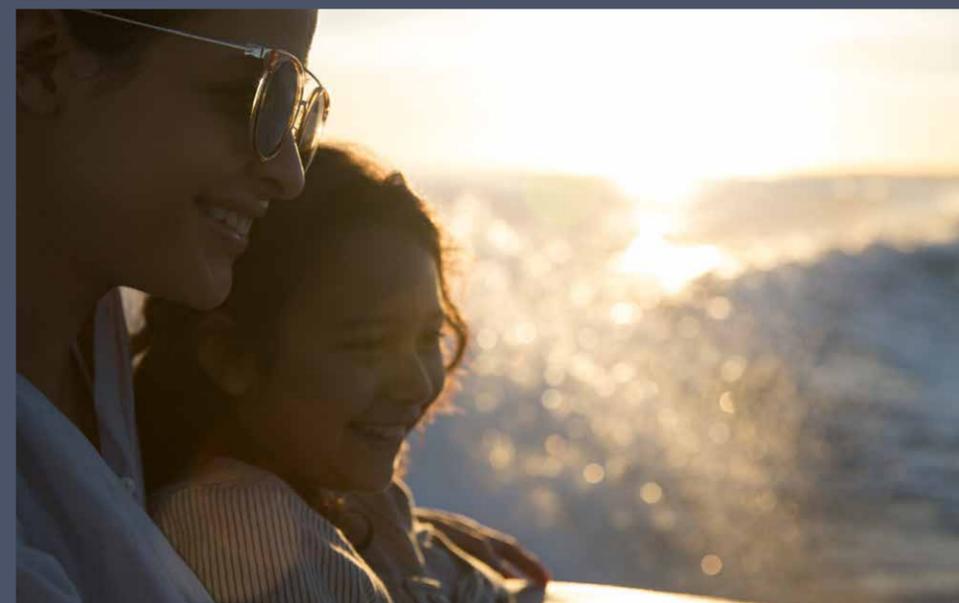

Aventura is not just an experience, it's the exhilaration of exploring the elements, the senses and your own potential. Our team of guides, instructors and concierges helps shape days filled with the adventure that you're looking for—on the pristine sands, in the clear blue waters, across every inch of this elemental and enriching coast. At Costa Palmas, activities of every kind will be arranged by our Aventura coaches and curators. Of course, you are also free to relax and just do nothing at all.

Here, your day can be as idyllic as you desire—whether you want to pamper yourself with indulgent treatments at the spa, enjoy a leisurely round of golf on the course designed by Robert Trent Jones II, soak up the sun by the pool, or enjoy a stroll down miles of unspoiled shoreline. You can have anything you want, even when what you want is nothing.

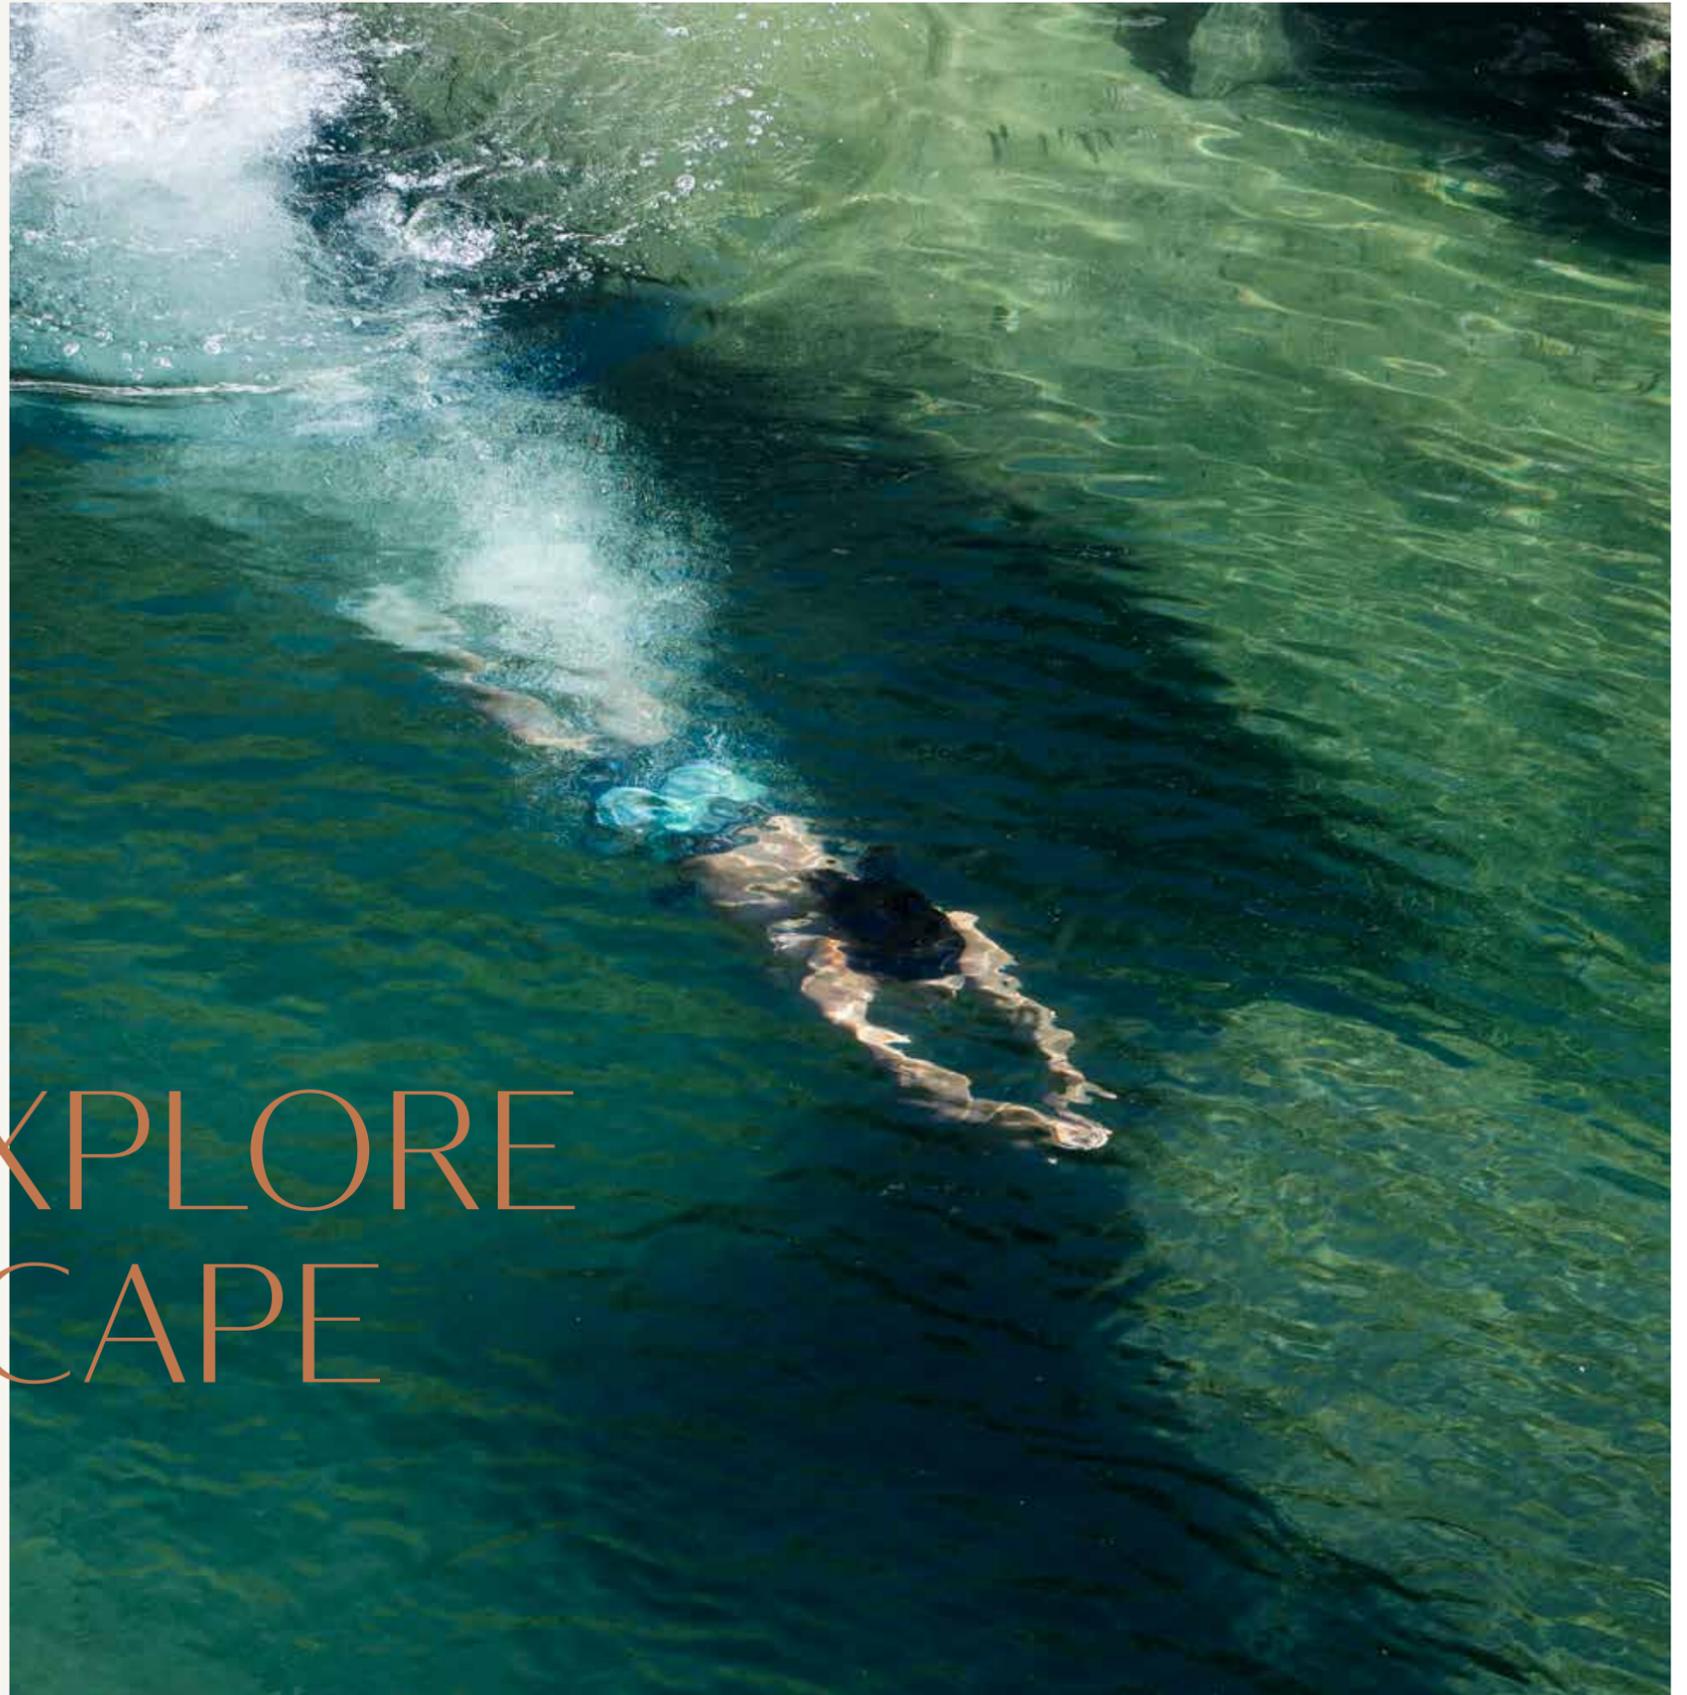

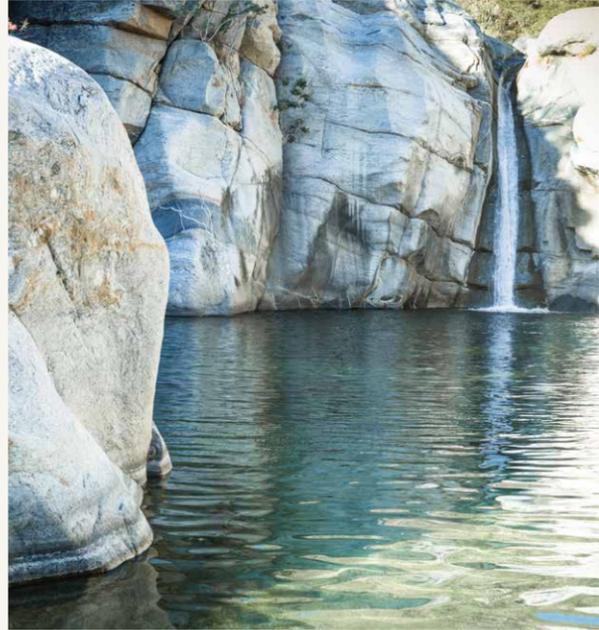

# A DAY TO DIVE INTO ADVENTURE

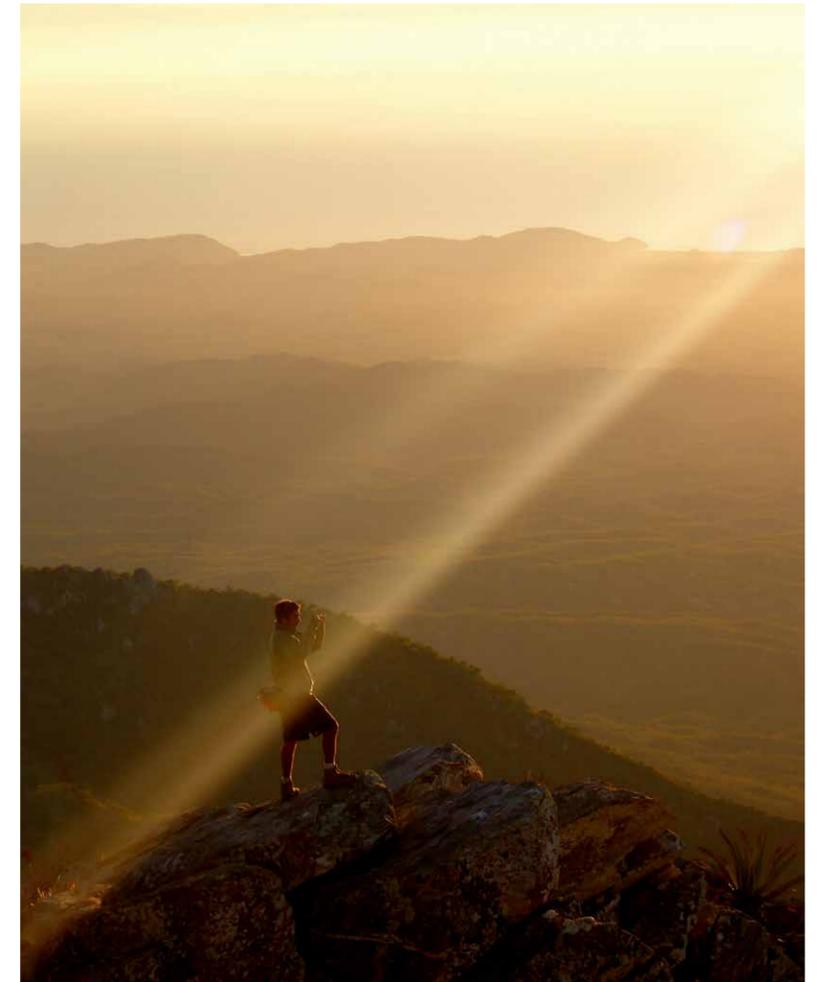

There are few who can resist the siren song of the Sea of Cortés. From kayaking and paddleboarding off the resort coast, to scuba and freediving experiences at Cabo Pulmo, even fishing trips and sailing expeditions around the seas, this brilliant and endless canvas of blue unveils treasure after treasure, all for the taking.

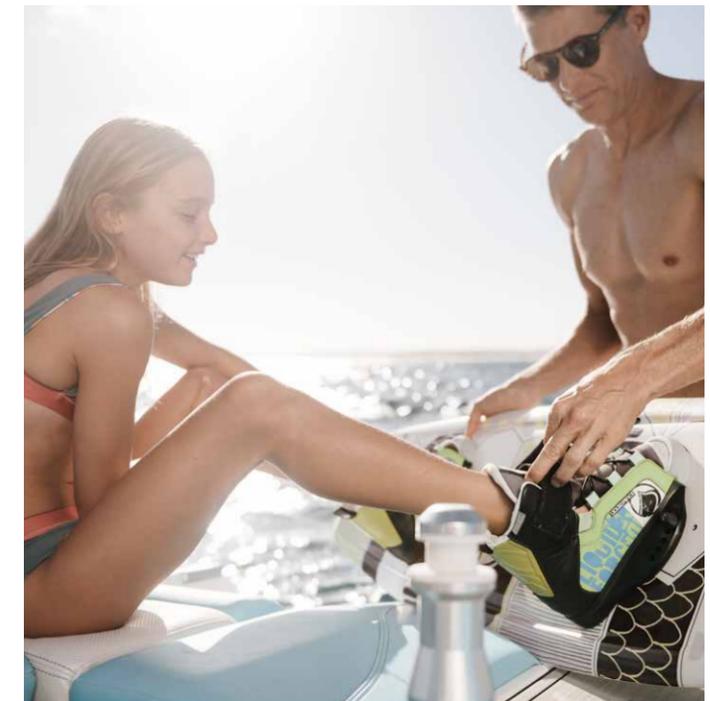

A DAY TO EXPLORE  
THE LANDSCAPE

Outside the resort and beyond the beach, all of Baja's treasures await discovery—deep in the forest, off the beaten path, away from the ordinary. Enjoy scenic sights on a horseback ride, embark on an off-road ATV adventure, hike up the Sierra de la Laguna mountain range, or rediscover our heritage with a rural ranch experience—the possibilities are endless, and Aventura makes them reality.

# A DAY TO RECONNECT WITH LOVED ONES

The East Cape is the perfect backdrop to immerse in memorable moments in the company of loved ones; our array of exciting experiences are designed to bring together both the young and the young at heart. Speak to our Aventura team to find the perfect activity for your little ones, or find the perfect moment to enjoy as a family.

Welcoming you as one of our own, Costa Palmas Beach & Yacht Club is a vibrant community of adventurers, explorers and storytellers, and every moment of joyful togetherness begins at the beach clubhouse, home to indoor and outdoor gathering places, pools, a gym, theatre, and play spaces. Of course, the inviting menus at Jimmy's and Bouchies will also vie for your attention. Do as much or as little as you wish—we'll make sure every experience is rejuvenating and recharging.
