February 2026

Dear Parents/Caregivers and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2024-2025 educational progress for University Hills Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Todd Calcamuggio, tcalcamuggio@rochester.k12.mi.us for assistance.

The AER is available for you to review electronically by visiting the following website HERE or you may review a copy in the main office at University Hills.

For the 2025-26 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2024-25. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

University Hills has not been given a label by the state.

Process for Assigning Pupils to the School

Students continue to be assigned to schools by grade level according to the district attendance boundaries. Students residing in the district may request open enrollment in a school other than the one to which they are assigned during the Open Enrollment period. Open enrollment is approved on the basis of staffing and capacity in the building. Struggling high school students are identified and assigned to the Alternative Center for Education (ACE) through the District's intervention model.

Status of the 3-5 year School Improvement Plan

We continue to monitor, analyze, and adjustment as needed to work towards our goals of increasing proficiency for all students in the areas of literary and math. District committees monitor the implementation of strategies identified in our school improvement plan.

Core Curriculum

Rochester Community Schools continues to implement a comprehensive curriculum for all students. The curriculum is based on, and aligns with, the Michigan Department of Education's Michigan Curriculum Framework.

The curriculum department continues to focus on developing a Multi-Tiered System of Support to meet the needs of all students, providing alternative educational experiences for students and more flexible time for student learning beyond the traditional school day.

Additional information about the District's Core curriculum can be found at the following website: http://www.rochester.k12.mi.us/pages/5064/general-education

Data

Student Achievement Results from Local and/or Nationally Normed Tests. University Hills has also fully implemented and adhered to the adopted state testing program, M-Step.

iReady Achievement Results

2023-2024 Reading

2023-2024 Math

2024-2025 Reading

2024-2025 Math

Parent teacher conferences

Parent teacher conferences	Number of students	Percent of students represented at parent teacher conferences
2023-2024	**394**	**98%**
2024-2025	**377**	**99%**

Conference participation in the spring is at the request of the parent or the teacher.

University Hills continues to celebrate student growth, meaningful parent partnerships and highly effective professional development for staff. Our UH staff works together as a purposeful learning community focused on student achievement and ensuring high levels of learning for all. The 2024-2025 school year was one filled with opportunity, enrichment, and successful learning experiences for all members of the University Hills team. The University Hills tradition is to celebrate the past, embrace the present, and plan for an outstanding future!

Points of Pride

- University Hills continues to provide an English Language Learner center program.
- University Hills ran our annual Fun Run to promote health/wellness and to raise funds for supporting our school.
- University Hills continued the following programs: Science Fair, Authors in April, International Week and Night, Reflections, District Sparkle Awards, Scholastic Book Fair, and Grade Level Specific Enrichments/Assemblies.
- University Hills is fully implemented to deliver Reading Recovery to first grade students.
- University Hills takes great pride in our Home/School Partnerships, both with our amazing PTA group and all our families. That partnership leads to schoolwide events such as Movie Night, Bingo Night, International Night, Kids Invite Someone Special Dance, and more.

Sincerely,

Todd Calcamuggio
Principal, University Hills Elementary
