Dear Raven Community,

Today, February 18, 2026, kicks off the return of our school-wide fundraiser, Color Run. We would like for the Color Run to become a yearly event which will bring not only monetary donations to our campus but will be a fun experience for both students and staff.

Students may begin collecting donations and earning rewards by asking their friends and family members to sponsor their participation in the event. Students will only need a \$20 donation to participate in the Color Run but will meet higher levels as their donations increase. Students will also qualify for daily prize drawings according to the total amount of donations. Prizes will be issued to students once the donation process closes.

Here is how you can support our fundraiser:

- Parents can submit donations through School Cash Online and complete the participation waiver by visiting this site:

 - [How to Donate and Level Prize Information](#)
 - [Raffle Prize Information](#)
- Friends and extended family can donate by using this OnlineSchoolCash link.

The purpose of the Color Run is to raise money to benefit Anthony students. The funds raised will be used for student academic needs, incentives, and campus needs and improvements at Anthony Middle School. We appreciate your support in making Anthony a better place for all.

Thank you,
Anthony Administration
