

SCOIR

Todd Porter

<https://www.youtube.com/watch?v=gdkl2MKCptA>

What is SCOIR?

“A digital program to help high school students with their college and career planning. It provides a centralized location for students and their families to access information and resources.”

How can I benefit as a parent

- Career Exploration
- College Application tracking
- College Exploration and Information
- Help in comparing tuition costs
- Application management
- Messaging - See what Mr. Porter is asking!
- AI - data-driven insight on past acceptances

Who are the players

Teachers

Letters of Reference once student sign FERPA

Admissions

Receive information to supplement the application

Counselor

Sends the information
Transcript - Letters of Reference - School Profile - Student Report

PARENTS!

SCOIR used to aid and assist the student in the process

FERPA

- FERPA, or the Family Educational Rights and Privacy Act, is a federal law that protects the privacy of student records
-

You will see “Apply with SCOIR”

Christ the King uses the following ways to apply to college:

1. Common Application
 2. Individual College Website
 3. CFNC.org
-

All Great...but
how do I help
my kid NOW

Understand how to use SCOIR

Take time to learn the platform—it's a powerful tool when used correctly.

VISIT.

Campus visits matter.
Make the time
whenever possible to
see a school in
person.

All schools have a self
guided tour option!

Know your dates and deadlines

Stay organized and aware of application, scholarship, and testing timelines.

Use SCOIR to create a spreadsheet for our visual learners!

Use SCOIR to prioritize

Compare colleges,
track progress,
and make
informed
decisions.

Set aside time to talk

Choose a regular time to talk with your family (like Sundays after church) to share updates, set goals, and plan next steps together.

Helpful Parent Tips

- Listen more than you talk
 - Avoid comparisons to other students
 - Keep Sundays calm and predictable
 - Celebrate effort, not just outcomes
-

Let's Talk

Questions!

See you at the next meeting February 25 @ 6pm

How to assist your student in building a strong college resume
