JUNE 24, 2026 • 8 AM TO 4:30 PM

AT THE STARLIGHT EVENT CENTER

The LEAD Summit is ESC Region 19's inaugural annual leadership event designed to elevate, connect, and inspire educational leaders across West Texas, New Mexico, and the greater Southwest region. Grounded in this year's theme, Leading with Purpose, the summit brings together district and campus leaders committed to strengthening systems, empowering people, and driving meaningful impact in their schools.

As a sponsor, you will engage directly with leaders who influence purchasing decisions, professional learning priorities, staffing strategies, operational systems, and long-term partnerships within their organizations.

Your presence at the LEAD Summit positions your organization as a trusted partner in leadership development and educational excellence. Sponsors will have the opportunity to:

- Connect face-to-face with district-level and campus-based decision-makers
- Build relationships with leaders responsible for instructional direction, operations, talent development, and organizational culture
- Showcase products and services that support system-level improvement and campus impact
- Increase brand visibility within a growing regional leadership network

By sponsoring the LEAD Summit, you are not simply supporting an event — you are investing in the leaders who shape schools, strengthen teams, and influence student success across our region.

**Transforming Education
Through Leadership.**
