Taylor Kessler

SECRETARY, STEM AND LOCAL ASSESSMENT

Taylor Kessler serves as the Administrative Secretary for the Tracy Unified School District STEM Department, providing vital support to the Director and Coordinators in advancing districtwide STEM initiatives. Originally from the small town of Gridley, Taylor brings a blend of organization, creativity, and dedication to her role. After earning her Associate's Degree in Office Administration from Butte College, she joined TUSD, where she ensures smooth communication, manages logistics, and supports data systems like FastBridge and DnA Illuminate. Passionate about education and teamwork, Taylor is honored to contribute to a department that inspires innovation, collaboration, and student success.
