1. **Agenda Item 1:** Call to Order/Opening Rituals/Check In
2. **Agenda Item 2:** Motion to pass November Minutes. Motion brought forward by Jennifer Thornton, seconded by Evan McGee and unanimously passed by the following members: Tristen Gartrell, Lila Daruty, Cynthia Gomez, Evan McGee, Norma Bozin, Jennifer Thornton, Azucena Hernandez, Jessica Gutierrez .
3. **Agenda Item 3:** Review of School Site Council Meeting Goals and data to measure whether or not they were achieved.
  - a. Ms. Daruty lead a “Perspective vs Perception” exercise in which all members shared and reflected on their own perspectives before beginning data analysis
  - b. For Goal 3 (community and belonging) we reviewed the Healthy Kids survey data, which was given to staff, parents and students.
    - i. Discussed survey fatigue → Only 5 staff members and 5 students participated (not statistically significant), discussed ways to prevent this in the future (during staff meetings, communicating with parents etc).
    - ii. Broke into groups to review and summarize data (results in table below)

| Parent Data Summary                                                                                                                                                            | Staff Data Summary                                                                                                          |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| 1. At the classroom level the communication may not be as consistent across the board                                                                                          | 2. For school environment, there is large consensus on “agree”, but what is preventing them from reaching “strongly agree”? |
| 2. The majority of parents feel that the learning environment is positivity but there may be questions around safety and programs for students with special talents and needs. | 3. Specifically for race, ethnicity, and nationality, why is there a “disagree” on “has high expectations”?                 |
