	elective		(if not taking APUSH)
	4-5 electives		
Advisory & Capstone			

Grade 12 Course Planner			
8 Classes			
#	English 4		7 Electives
Advisory & Capstone			

Graduation Requirements:

4 courses of English	8 credits (4 units of proficiency)
3 courses of Mathematics	6 credit (3 units of proficiency)
3 courses of Science	6 credit (3 units of proficiency)
3 courses of Social Studies	6 credit (3 units of proficiency)
1 course of Visual/Performing Arts	2 credits (1 unit of proficiency)
1 course of Physical Education	2 credits (1 unit of proficiency)
1 course of Health	1 credit (1 unit of proficiency)
Elective Courses	10 credits (5 units of proficiency)
Senior Capstone	Counts as 1 of the 10 electives
Total for graduation	41 credits (21 units of proficiency)

Note: The requirements to graduate from Deering High School are not always the same requirement that college admissions offices will ask for. For example, it is highly recommended that students planning to attend college should complete at least two courses of World Languages through Level II and many selective colleges want students to have a full schedule of courses which includes a course from each core subject every year.
