**You must have a Driving Permit to take this course. Upperclassmen will receive priority when scheduling.

Please enter your course requests in the table below. While we try to accommodate all requests, there is a chance you may not get every class you select. Alternate CTE / Elective requests may be used by a School Counselor to replace a selection that may not work with your schedule. Students who score below 231 in Math and/or 222 in Reading on the Spring MAP assessment will be provided with a period of intervention in the 1st Trimester. Therefore, some elective requests may be changed if you qualify for intervention classes in Reading and/or Math.
