Subject: Top 10 in Region 10 - February Edition

The Top Ten at Region 10!

Each month, we will highlight Ten Great Things Happening in our Learning Community. We know there are so many, many more great things going on in our schools, every day, and here are some highlights! If you have an idea, questions or a picture for an upcoming edition, please email me at thompsonf@region10ct.org

Superintendent's Corner:

I hope everyone had a wonderful February break! We are back and better than ever! Our schools are filled with joy and our classrooms are filled with learning. Plus, it's spring training for baseball fans! It's also budget season and I encourage you to take a moment to visit our [Budget Central page](#) found on our website (there is a link on the Region 10 Homepage) for updates.

If you have any questions about this or anything Region 10 related, please reach out anytime. Thank you for your support of every student, every day!
