

Hello Southwest Family,

This is your proud principal, Dr. Richmond, calling with your updates for the week. We enjoyed having our kids back on Friday, and we will use every moment of time to get back to normal. As I told students, we are two weeks behind, but the goal of moving our school forward is still the goal.

Here are your announcements for the week of February 8.

At the Ranch

-We are still in the midst of crucial student assessments. Some students in science 8 and 6th math will finish testing this week. All 6th-8th grade students will take their second interim assessment in ELA on Thursday and Friday. Please help us impress the seriousness of these assessments upon our students.

-The FBLA Sneaker Ball has been moved to the month of March. Students who already paid will have their ticket carried over. More information to come.

-Students will receive their 2nd quarter report cards during homeroom tomorrow. You may also log into Infinite Campus and view it there.

-Students did start their 2nd semester encore classes on Friday. For students wanting an encore change, counselors will give students that information this week as well as I will let you know. Students must continue to attend the assigned encore until counselors work through the process.

-Girls Who Game will meet on Monday, and theatre auditions will happen on Friday after school in room 203.

Athletics

-Basketball and cheer will have two games this week. Monday they will be HOME against Jamestown MS, and Thursday they will be AWAY at Eastern MS.

-Wrestling will be AWAY at Jamestown MS on Monday, and Thursday they will be HOME against Eastern MS. We will also celebrate our 8th grade wrestlers on Thursday.

Please remember that for any SWMS student to attend a competition, they must have an adult in attendance with them.

-Attached to this email also are our dates for track, baseball, and softball tryouts.

Those are all of your announcements for this week. I look forward to seeing your child's smiling face tomorrow at Southwest, where we will do the right thing.
