

CLEBURNE COUNTY SCHOOLS

**2026 Internal Connections
Internal Connections Mini-Quote Request for Pricing
February 20, 2026
Based on ALJP Contract**

VENDORS MUST CONTACT COREY COCHRAN AT corey.cochran@cleburneschools.net IF YOU HAVE QUESTIONS ABOUT THIS REQUEST.

DUE DATE: Monday, March 9, 2026 no later than 10:00am

DELIVERY: Proposals must be submitted via email to corey.cochran@cleburneschools.net. Included in the email should be a product/services/installation quote. Once a vendor is notified of selection after the min-bids are turned in, a completed USAC Category Two Internal Connections (Item 21) template will need to be emailed within 3 business days of notification.

Description: This Request for Proposal (RFP) by the Cleburne County School District is seeking quotes from qualified ALJP vendors to provide equipment and services as listed below. We will be seeking E-rate funds for this project. Acceptance of this mini-quote is contingent on funding by E-rate and available local matching funds.

TERM: Cleburne County Schools reserves the right to accept and/or deny any or all items on the proposal at the unit price submitted. All prices submitted on the bid are to be "delivered prices" and shall be inclusive of all charges, and fees, and shall not include any state or local tax. Vendors may submit equipment with newer models if the requested model(s) is no longer available or has been replaced, please note all substituted items in the response. Pricing should be valid for 36 months.

PRICING: Vendors must use their ALJP bid as the basis for this quote. Pricing may be lower, but Cleburne County Schools must be able to demonstrate to USAC that the prices submitted here clearly tie back to the vendor's ALJP bid award. Vendors must include the cost of installing equipment in the equipment price quoted and not list separately.

FUNDS: Cleburne County Schools is relying on ERATE funding for the services requested. Any agreement between CCS and the selected vendor will be contingent upon the availability of these funds. Upon signed agreement and completion of the project. Vendor will bill CCS for the CCS portion of the project and utilize SPI (474) for the remaining funds from USAC.

EVALUATION CRITERIA: The provider will be selected based on the most cost effective solution based on the following criteria:

Total Price for ERATE Eligible Equipment/Parts/Service	40%
Specifications, Features, Product Quality, Compatibility with Existing Switch Configurations	20%
Ability to provide compatible hardware/cabling/installation	20%
Warranty/Maintenance/Support Features	10%
References/Prior Experience	10%

EVALUATION:

Use of trade names and numbers shall be interpreted as establishing a standard of quality and shall not be construed as limiting competition since equivalent equipment may be considered. Any exceptions in specifications requested must be noted and supporting literature must be provided for evaluation. If literature is not enclosed with the bid package, the bid may be rejected.
