RE: NOTICE OF CONDITIONAL INTENT TO AWARD CONTRACT

Dear Mr. Marvulli,

On Tuesday, February 17, 2026, Marvulli, Inc. submitted a bid for the Merced City School District 26th Street MARS/ELO-P Facility Increments No. 1 & No. 2. At the time of bid opening, this bid was the "Apparent Low Bidder," and since then, all necessary documents and verifications have been reviewed. As of today, Merced City School District will be moving forward with an intent to issue a Notice of Award at the Board of Education meeting on Tuesday, March 10, 2026.

At this time, an official Notice of Award will be issued, contracts may be signed, and then a Notice to Proceed will follow. We look forward to working with you on this process. If you would, please return 2 signed copies of the contract to our office within 10 days so we can get our necessary signature after it is approved.

Please understand that this notice is contingent upon approval from the Board of Education before it can be endorsed by the appropriate representative of Merced City School District. If you have any questions, please contact me at your convenience. I can be reached at bbehn@mcsd.k12.ca.us or by phone at (209) 385-6343.

Respectfully,

A handwritten signature in blue ink, appearing to be "Bryan Behn", written over a horizontal line.

Bryan Behn
Director of Facilities
Merced City School District
