

**April  
2026**

Construction begins

**School Year  
2027-28**

Glenwood students attend ES8  
while Glenwood is modernized

**School Year  
2028-29**

- Timing is based on other construction projects and the potential need to temporarily host students and staff
- A school-board appointed boundary committee will review and recommend updates to boundaries across the district to ensure balanced enrollment. This will happen prior to Elementary School #8 (to be renamed through a separate school naming process) being opened as a newly-boundaried school.
