ECFE CLASSES

When do ECFE classes start and end?

School Year-long Classes begin on Sept. 14 and run through May 28. This aligns with the school district calendar for non-school days. Registrations are accepted year-round based on availability and fees are prorated.

Seasonal Classes are scheduled in three sessions throughout the school year. They align with the school district calendar for non-school days. There are classes that start in September (fall), December (winter), and March (spring).

What is the difference between seasonal classes and school year-long classes?

ECFE classes run in two separate schedules to give your family flexibility. The school year-long schedule allows the same group of families to stay together for the full school year. The seasonal session allows increased flexibility for your calendar. Both the seasonal and school year-long classes will cover similar topics and lessons.

Can I take more than one seasonal class?

Yes, you can sign up for one or all three in a school year. Class content and topics will vary based on class attendees. Please note, some content may repeat.

What is the difference between a non-separating, gradual separating, and separating class?

In a non-separating class, parents stay with their children for the entire class. In gradual separating, there is a transition from parent/child time to separate time over the course of the class. Our separating classes include parent discussion held in a separate room. Parent discussion is included in all classes.

Sliding Fee Scale for ECFE Classes

2025-26 Yearly Household Income	Year-Long Class Fee	Seasonal Class Fee	Sib Care Year-Long Class Fee	Sib Care Seasonal Class Fee
\$130,000 and Above	\$595	\$198	\$298	\$99

\$60,000-\$79,999	\$406	\$135	\$203	\$68
\$40,000-\$59,999	\$312	\$104	\$164	\$55
Under \$40,000	\$0	\$0	\$0	\$0

Where are classes held?

All ECFE classes are held at the Community Education Building, 8100 School Road, Eden Prairie, MN 55344. Enter Door 11.

What resources are available for children with special needs?

Early Childhood and Family Education classes are inclusive of all children and families. Our program staff have a strong collaboration with Early Childhood Special Education staff and work together as a team, including parents, to best meet the learning and developmental needs of all children.

How much do ECFE classes cost?

The cost of classes are based on the sliding fee scale below. They are designed to be affordable for all families to attend.

What if I have other children who need care during class (i.e. Sibling Care)?

Care is available for siblings of children registered in ECFE classes for a fee. Space is limited. Babies through 5-year-olds participate in our child centered sibling care classrooms. Staff provide a flexible, fun learning environment which includes games, songs, art activities, and child-directed play.

Our experienced staff provide a safe, secure environment for your child that includes:

- Gentle, loving care
- Feeding and diapering per parent request

Registration is required for sibling care and registration is only available by contacting us at EPS_LittleEagles@edenpr.org or 952-975-7200. *Please note registering for an ECFE does not automatically enroll in sib care. Space is limited. No drop-in care available, must register for the entire session/class.*

ECFE classes are priced on a sliding fee scale based on your household income. Payments for seasonal classes are made one week before the start of each season. For year-long classes, payment is charged three times per year: September 7, November 23 and February 22.

Fees for Parent Talk: Real Questions, Real Support; Fantastic Fridays; Music Beat; ECFE Outdoors at Eden Prairie Outdoor Center; Movers and Shakers Plus; Little Learners Plus; Little Hands, Big Hearts; and Grandfriend Play and Learn are listed separately and due at the time of registration. No one will be turned away due to inability to pay.

Questions about fees? Please contact us at EPS_LittleEagles@edenpr.org or call 952-975-7200.
