

2/6/26

## Dear Wyoming Families,

This week certainly kept us on our toes with a midweek snow day, but our students and staff made the most of every moment. Even with the schedule interruption, learning continued and students stayed engaged. This is always something that's so impressive to see from our students and staff.

Because we were off on Tuesday, we adjusted our plans and pivoted to include all 9th–11th grade students in our scheduling meeting during FLEX on Thursday (2/5). During this meeting, students received their course optioning sheets for the 2026-2027 school year. We appreciate students' flexibility and the staff teamwork that allowed this shift to run smoothly and ensure everyone received the guidance they needed for course planning.

In case you missed the scheduling information that was shared with students and families on Monday (2/3), you can find it in the "School Counseling" section below. On Monday, February 9th our high school team will travel to the middle school to talk with current 8th graders about scheduling for next year. We will also meet with the families of current 8th graders at 6 p.m. on Monday, February 9th to review the scheduling process. Please reach out if you have any questions or if there is anything we can do to support you and your student as you consider which courses to select. Thank you and we wish everyone a great weekend!

**Note:** **Students applying for Scarlet Oaks - APPLICATIONS ARE DUE SUNDAY, FEBRUARY 8th!**
