February 6, 2026

Dear Wyoming Primary Families,

Believe it or not Valentine's Day is right around the corner! We are looking forward to our classroom parties on Friday, February 13th. Please remember that any treats that are handed out with Valentines must be on our approved food list. You can access the approved [allergy free food options](#) here. Please note that any food that is not on the approved list will be returned home in students' backpacks.

Warmly,

Jenn Earhart
WPS Principal

2026-2027 Kindergarten Registration: We are gearing up for kindergarten registration for the 2026-2027 school year! For detailed information on enrollment, please [visit our website](#). Mark your calendars for our Kindergarten Information Night on Thursday, February 26th, at 6:30 p.m. at Vermont School. This event is a great opportunity to learn more about our kindergarten program and get your questions answered. Other important events for parents of incoming kindergarten students are included below. We look forward to welcoming our newest Wyoming Cowboys!

- Starting February 27: Complete Online Registration Forms & schedule In-Person Registration
- March 2-4: In-Person Kindergarten Registration by appointment at WCS Central Office
- April 11: Kindergarten Welcome Days from 8:00 a.m.-12:00 p.m. (by appointment) at Vermont
- April 14: Kindergarten Welcome Days from 4:00 p.m.-6:00 p.m. (by appointment) at Vermont

2026-2027 K to First Grade Building Placements: If you have a current kindergartner, you should have received an important building placement packet in last week's Thursday Folder. Because our three Primary buildings have a different number of kindergarten classrooms, we must redistribute students as they enter first grade. This ensures that class sizes and student needs are balanced across the entire district. All current K students need a placement preference form filled out and returned to their child's teacher by Friday, February 13, 2026.

2026-2027 Building Transfer Requests (Grades 2-4): Families with students entering grades 2, 3 or 4 next year received an optional form in last week's Thursday folders. This form can be completed if you would like us to consider transferring your child from their current building to a different Primary building for the 2026-2027 school year. If you would like for your child to remain at their current school, you do not need to complete the form.

In compliance with [Erin's Law](#), students in grades K-6 will be participating in a child abuse safety workshop during the week of February 23rd that will be facilitated by trained staff from the Council on Child Abuse of Southern Ohio (COCA). Younger students (grades K-2) will learn the difference between safe and unsafe touches. Older students (grades 3-6) will learn to recognize the types of child abuse (Physical, Verbal, Sexual, Emotional and Neglect). All students will learn the importance of telling a trusted adult if child abuse is suspected. If you have questions or concerns about the content of COCA's presentations, please visit the FAQ page of the COCA website at <https://www.cocachild.org/about-us/faqs/>.

Please use [this link](#) to complete the 25-26 Opt-Out Form by Thursday, February 19.

Primary Yearbook Updates: We would love for your student(s) to be in the Primary School Yearbook! Please consider sharing photos from Harvest Fest, Specials Night, Sports, Fun Around Town (think community events or gatherings like Light Up or the car show) and photos with students wearing Cowboy spirit-wear. Photos can be submitted to wyoprimyearbook@gmail.com. **Include only photos of primary students (no siblings or neighbors) and all photos need to be AT LEAST 1MB in size - cropped or downloaded photos are too small so please send the original size.**

- **4th Graders:** We are also looking for a photo from each fourth grade student for our Class of 2034 spread! This should be a candid photo of your fourth grader alone showing off their personality. See above for where and how to submit.
- Finally, you can still order a yearbook at ybpay.com with our Yearbook Code: 1672726. The deadline to order is April 3rd. Please reach out to wyoprimyearbook@gmail.com with any questions or concerns.

From the Nurse's Office: We are seeing a surge in community-wide illnesses such as influenza, covid, stomach viruses, and common cold viruses. Many of these illnesses share similar symptoms, and it can be difficult to know which one your child may have. If your child is not feeling well, we ask that you:

1. Check their temperature before sending your child to school. If they have a temperature of 100.0 °F or higher, please keep them home. Students should be fever-free for 24 hours with no fever-reducing medication (such as acetaminophen or ibuprofen) before returning to school.
2. If NO fever is present, please give medications for stomachache, headache, coughing, or other symptoms before sending them to school.
3. Students MAY NOT bring medication to school and nurses cannot give ANY medications to a student without a signed medication form.
4. If your child is fever-free, but has a stuffy/runny nose or cough, please encourage them to take precautions to limit the spread of germs until they feel better. This includes frequent hand washing or using hand sanitizer, covering their coughs, etc.
5. Students experiencing stomach virus symptoms (with or without fever) should stay home for at least 24 hours following their last episode of vomiting.

Upcoming Events

Kindergarten Field Trips to Caldwell Nature Center: New Dates are February 10-12th.
These were rescheduled due to frigid temperatures.

K to 1st Building Preference & Intradistrict Transfer Forms Due: Friday, February 13th.
