GRADUATION REQUIREMENTS

In order to graduate from Holbrook Middle-High School, a student must have earned at least 95 credits and complied with all state accountability requirements. Course requirements are the following:

- Four years of English
- Four years of Mathematics including completion of Algebra II or an Integrated Math equivalent
- Three years of lab-based Science which may include technology/engineering
- Three years of History/Social Science including US History and World History
- One year of Foreign Language
- One year of Physical Education
- One semester of Capstone
- One semester of Financial Literacy

Other requirements may be established by the school administration in relation to the particular program, otherwise the additional credits needed for a graduation may be selected from among elective courses. For the total number of credits required please see the high school program of studies or student handbook.

Credit for Foreign Study: Students who are away for a term or year to participate in a student exchange program or otherwise study abroad may receive credits toward high school graduation when (1) study plans are approved by the school administration in advance; and (2) the institution where the study occurred submits a record of the student's work. In these instances, the Principal and student's guidance counselor will evaluate the work and assign credit for it according to standards prevailing in Holbrook Middle_High School.
