

STAFF ETHICS  
PERSONAL APPEARANCE

As student(s) enter a school building, every aspect of the environment contributes to their educational experience., This includes the cleanliness and organizations of classrooms, as well as the professional appearance of staff. A well-maintained, welcoming setting supports student learning and reflects the standards of the school community.

Professionalism requires neatness, sound judgment in attire, and appropriate personal hygiene. All teachers and staff members are expected to dress in a manner that is professional, appropriate for their responsibilities, and consistent with the expectations of the district.
