

Growth & Development

VISION. Educate, empower, and encourage excellence in ALL students.

MISSION. Pittsburg ISD, in partnership with our community, will empower each student to make the most of his or her abilities through a safe, nurturing, and challenging educational environment.

GOALS. Expect and promote high achievement for all students. Attract and retain highly qualified personnel. Provide a safe, secure, and healthy educational environment. Develop programs and services to promote parent/community involvement.

**2024
Bond**

A \$93.8 million bond was passed to include a new high school, student parking, practice field, and a bus road that connects the junior high to high school. The junior high is getting a new cafeteria, parking lot, and a sixth grade wing. Both campuses will enhance safety and security measures, creating a safer and more supportive learning environment for Pittsburg students and staff.
