

Student Engagement Seal

Purpose

The Student Engagement Seal recognizes students who demonstrate meaningful involvement in their school community by participating in activities beyond the traditional classroom. This seal promotes leadership, responsibility, collaboration, and a sense of belonging within the school.

Eligibility Requirements

To earn the Student Engagement Seal, a student must:

1. Complete at least one approved extracurricular or co-curricular activity outside of the regular classroom experience that meaningfully connects the student to the school community.
2. The activity must demonstrate active participation, responsibility, and commitment, as verified by a school advisor, coach, or administrator.

Examples of Qualifying Activities

Examples may include, but are not limited to:

- Participation with an athletic team
- Membership in a school club or organization
- Student government or leadership groups
- Academic teams or competitions
- School-sponsored service or leadership initiatives
- Performing groups (band, choir, theater)
- School-based mentoring or peer leadership roles

Verification

- The activity must be documented and verified by the supervising staff member.
- Participation must meet district expectations for attendance, conduct, and engagement.

Intent

This seal is designed to:

- Strengthen student connection to school
- Promote teamwork, leadership, and responsibility
- Encourage involvement beyond academic coursework
- Support social and emotional development essential for post-secondary success
