

by dollar volume representing the 75% threshold. Prices for the remaining [40] goods listed in this procurement solicitation should also be included, though they will not be a part of the Market Basket Analysis. The Market Basket Analysis shall not be used for service or equipment contracts/procurement solicitations or for Fee-For-Service Processing contracts.

5.56.2 Material Change

If a material change (as the term is defined by TDA rules and regulations) to a contract entered into between HCDE and Vendor occurs, then the contract will not be renewed upon the conclusion of its term. Upon the expiration of the term, HCDE may issue a new RFP for the goods or services procured under the previously-existing contract. Material change for purposes of this Section 5.56.2 means a modification that substantially exceeds the terms of the original contract between HCDE and Vendor.

5.56.3 Supplemental Contracts

Should Supplemental Contracts result in a material change to the Contract, HCDE will proceed under Section 5.56.2 of this RFP.

5.56.4 New Products

During the Term of a Contract awarded under this RFP, additional purchases not included in the original RFP list and resulting awarded contract may become necessary and benefit CP members. Vendor and HCDE agree that the aggregate value of added purchases during each year of the Contract (if renewed) shall not exceed 10% of the estimated total value of the Contract. The total value of the Contract must be agreed upon, and the dollar value listed in the Contract and each renewal term of the Contract (if any). For purposes of this section, the total value of the Contract includes all contracts awarded as a result of the procurement solicitation to all vendors. For the initial Term of a Contract awarded under this RFP, Vendor and HCDE agree that the total value of the Contract shall be \$200 million. Additions of new products may be included in the awarded Contract list during the renewal of the Contract through an amendment to the Contract, and the total Contract value adjusted accordingly. For each renewal term of the Contract, the total actual value of the Contract in the preceding year and the additional new product(s) made during that Term will be the basis for determining the maximum dollar amount (not to exceed 10%) of the additional new product(s) that will be allowed during the next Contract renewal term.

5.56.5 Bonds

Vendor shall provide all bonds, including bid guarantee, performance bond, and payment bond, as applicable under U.S. Department of Agriculture and/or Texas Department of Agriculture rules.

5.56.6 Use by Other Governmental Entities/CP members

In the event that HCDE allows other governmental entities to utilize any existing contract between HCDE and Vendor entered into pursuant to this procurement solicitation, Vendor agrees and understands that such other governmental entities may include “school food authorities,” as that term is defined by USDA/TDA. Should such utilization by other governmental entities/CP members result in a material change to the Agreement for purposes of USDA/TDA purchases, HCDE will proceed under the foregoing section entitled “Material Changes.”

5.56.7 No Guarantee of Quantities

Quantities for purchases paid for with School Nutrition Program funds are subject to change for various reasons, which include, but are not limited to the following: USDA commodity allocation(s), variations in student population, production item substitution(s), changes in consumer taste or expectations, pricing, and nutrition regulatory changes.

5.56.8 Buy American Act

The Buy American Act, set forth in 7 C.F.R. Part 210.21(d), requires that participants in the National School Lunch Program and School Breakfast Program use the federal nonprofit food service funds, to the maximum extent practical, to buy domestic commodities or products for Program meals. 7 CFR Part 210.21(d) defines a “domestic commodity or product” as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. “Substantially” means that over 51 percent of the final processed product consists of agricultural commodities that were grown domestically.
