

February PTSA Mtg

Tuesday 2/17/26 5:30 (8 people in attendance)

Concessions: discussed how the basketball and wrestling matches went with concessions. Wrestling is busier than basketball, but we also acknowledge having concessions is a “new” thing for Hedrick and might take some time to get busier. We basically broke even (spending a little more than we made) but we determined it was worth it, for the parents and students that did purchase from us, and we will be planning to have concessions for the upcoming Track Meet at North. Hedrick hosts three days of prelims and there is a snack shack we can use. Mrs. M says she does not plan to do concessions for track so the PTSA has the option to do all three days if we choose (we have supplies from previous concessions but will need more items as we assess how it goes-we discussed doing hot dogs, nachos, popcorn and sodas, in addition current stock).

The dates we were given so far are: Tues 4/28, Wed 4/29, and Mon 5/4, but we are unsure of the start time right now. Sasha will work on a sign-up link.

Spring Social: the PTSA will host the Spring Social on May 7th!! Spring themed! Mnason will work on this year's ticket design and we will have a table set up at lunch for a couple days the week prior. Taryne will make signs again to put in the hallways, Sasha volunteered to sell tickets (she won't be here day of social), and we will discuss with Mrs. M the best place to get decorations. (all decorations from last year were tossed/non reusable). Set up on day of will start at 2:30. School staff will be there to help chaperone, and we need at least four people selling food. More planning will take place at the next meeting, as we get closer to May.

Hedrick Showdown: Tues. March 17 at 5:30 -pretty well staffed and organized. Lori will ask the woman in charge (Shannon) if she needs any additional help. Donations for the auction are always helpful.

Coming up: Need to get a teacher fund request form, so teacher's can start asking us for money for things for their classroom.

8th grade farewell social- help with set up and chaperone.

Staff appreciation weeks- how can we help the staff celebrate each other? And discuss what options we have for the ALL-staff lunch we plan to host at the end of the year: cost? Food? Location?

Next Meeting: Wednesday, March 18th at 5:30! See you then!
