

2026 Awarded Small Business Directory

STEPHANIE S. ELIZALDE ED.D.
SUPERINTENDENT OF SCHOOLS

Greetings Dallas ISD Family,

On behalf of the Small Business Office, we are pleased to present the Dallas ISD Small Business Enterprise Directory. This resource connects end users with certified Small Business Enterprises (SBEs) who embody the district's Core Four values: Fast, Friendly, Flexible, and Focused. Our small business partners are well-positioned to meet your needs while delivering excellent service and responsive solutions.

One of the district's goals is to involve small businesses in a legal and meaningful way throughout purchasing and contracting activities. As outlined in Board Policy CH (Local), Dallas ISD encourages end users to commit 30% of goods and services spending with certified SBEs. Your purchasing decisions help strengthen local businesses and ensure district resources are reinvested in the communities we serve.

We ask you to be intentional in supporting small businesses whenever possible. Each purchasing decision contributes to economic growth, supports former Dallas ISD students who are now business owners, and helps build sustainable opportunities that benefit our district today and into the future. Dallas ISD is proud to build lasting legacies by partnering with small businesses that contribute to a strong local economy. Many of our certified Small Business Enterprises are former Dallas ISD students who once sat in our classrooms and are now successful business owners supporting the district. The *Former Dallas ISD Student* section of this directory highlights these awarded vendors and celebrates the full-circle impact of investing in our own.

When planning your next purchase, we encourage you to consult this directory to identify certified Small Business Enterprises that can meet your needs. This directory serves as a practical tool to help end users make informed purchasing decisions and to support a district-wide commitment to shopping small whenever possible. The Shop Small initiative reflects our shared commitment and responsible stewardship of district resources. By choosing to shop small, schools and departments play an important role in advancing Small Business Enterprise participation.

To learn more about the district's Small Business Enterprise initiatives, visit www.dallasisd.org/sbo or call 972-925-4140. Thank you for your continued support and for helping Dallas ISD Shop Small—with Big Impact.

Sincerely,

Leslie Williams

TOP 3 SCHOOLS

Recognizing Excellence in Supporting Small Businesses

The schools featured in this section are recognized for their commitment to supporting Small Business Enterprises through their purchasing decisions. Rankings are based on the percentage of spend with SBEs during the period of July 1, 2024 through June 30, 2025, and highlight the top-performing Elementary, Middle, and High Schools.

This recognition reflects intentional purchasing practices that strengthen small businesses and contribute to the overall impact of Small Business Enterprise participation across Dallas ISD.

*Learn more about initiatives that support small business participation through the Small Business Office.
Contact Shameka McCoy at shmccoy@dallasisd.org for more information about the Shop Small Program.*

How to Use the Small Business Enterprise Directory

The Small Business Enterprise (SBE) Directory is designed to help Dallas ISD end users easily identify and connect with awarded small business vendors when making purchasing decisions. This directory includes multiple ways to search for vendors, along with direct links to vendor information to streamline the procurement process.

Ways to Find Vendors

You can locate vendors using several methods:

Vendors by Name

Search for vendors alphabetically and select a vendor name to jump directly to the vendor's information page.

Vendors by Category Code

Browse vendors based on specific category codes related to the goods or services you need.

Former Dallas ISD Students

View awarded vendors who are former Dallas ISD students and are highlighted throughout the directory.

Please note that some vendors may hold multiple contracts and may appear under more than one category code.

Navigating the Directory

Use the tabs located along the side of the directory to quickly navigate between sections. Many pages include clickable links, allowing you to jump directly to vendor listings, category sections, or contact information. Page numbers are provided to support easy reference when using a printed version of the directory.

Special Purchasing Options

PunchOut Vendors

System-based purchasing options available through Oracle iProcurement.

Internal Stores

District-approved catalogs that provide a streamlined and compliant purchasing experience.

Need Assistance?

For questions regarding vendor participation or Small Business Enterprise Initiatives, please contact the Small Business Office (SBO). Contact information is provided in the SBO Section of this directory.

Why Choose Small Business PunchOut Vendors?

PunchOut Vendors provide Dallas ISD end-users with a streamlined, compliant, and efficient purchasing experience. By shopping directly within the district's purchasing system, office managers can access approved small business vendor catalogs with contracted pricing already in place. This process supports accurate requisition creation, reduces processing time, and ensures alignment with district procurement requirements, while continuing to advance Dallas ISD's commitment to small business support.

Internal Stores

Internal Stores are pre-built, district-approved shopping catalogs within Oracle iProcurement designed to make purchasing faster, easier, and fully compliant with Dallas ISD procurement guidelines. They provide a streamlined, one-stop experience for ordering commonly used goods and services.

What Internal Stores Offer

Internal Stores are curated catalogs built with awarded vendors, accurate pricing, correct category codes, and validated item descriptions. By using Internal Stores, users benefit from faster approvals, fewer errors, and improved compliance with district purchasing requirements.

Why They Matter

- **Faster Requisitions:** Pre-validated items move through the approval process more quickly.
- **Fewer Errors:** Pricing, supplier information, and category codes are already correct.
- **Better Compliance:** All items meet Dallas ISD purchasing guidelines.
- **Greater Visibility:** Users can easily browse awarded products, vendors, and pricing in one place.

For End Users

Internal Stores are the fastest and most efficient way to order in Oracle iProcurement. Items are selected from awarded vendor catalogs, helping ensure accuracy while accelerating the purchasing process.

For Small Business Vendors

Internal Stores allow awarded small business vendors to showcase approved items in a districtwide catalog. Vendors provide item-level details—including descriptions, Unit of Measure (UOM), pricing, UNSPSC codes, and images—so Dallas ISD can build a compliant, user-friendly catalog for end users.
