DOMINGUEZ	86%		
BURSE	84% & 86%		

Congratulations to all our teachers for your continued effort and commitment with Amira. Our campus goal is to reach 100 percent completion for Wave 2 in February. We have many new students who will need our support to catch up, but I know we can do it together.

We were ranked number one for Wave 1 in the district, and we want to hold that place for Wave 2. Amira plays a huge role in helping our students grow in reading fluency and comprehension—MAP data shows are our biggest opportunities as a campus.

Thank you for your hard work and consistency. Let's continue working together to help our students become excellent readers and confident learners. Our Eagles soar because of you.

We have four months to be strategic and move out of the yellow. We must also know and internalize our numbers so we can make informed decisions in the classroom and provide the right support for our students. Let's ensure we continue to increase both in achievement and in growth.
