First Day of Preschool

Monday, September 14th, 2026 or
Tuesday, September 15th, 2026

Little Falcon's Preschool and ECFE in Foley is programmed to nurture and enrich children's lives through play and hands on learning. The early years of a child's life can have an incredible impact on their future. They are learning colors, letters, shapes and numbers. Additionally, they are learning how to interact with others, explore the world around them, and understand and express their own emotions.

What does Little Falcons Preschool/ECFE have to offer my child?

3 Year Old Little Falcon's Preschool

Little Falcon 3 Year Old Preschool is a half day program. Our classes learn through hands on play, peer interactions and small group activities, making this a warm and inviting environment for kids to spend their time.

4 Year Old Little Falcon's Preschool

Little Falcons 4 Year Old Preschool has half day and full day program options. Our class offers a variety of learning opportunities, including hands on learning, group activities, social and emotional activities, and much more.

Full Day Little Falcon's Preschool (Wrap Around Care for 4's)

In the Full Day Preschool option, children will spend half their day in preschool and the other half in Wrap Around Care. Our Wrap Around Care Program is an extension of their learning day. Children will learn through play, arts and crafts, outside play, cooking groups, and much more.

ECFE/Preschool Together Birth-Kindergarten

ECFE is a family oriented 25 week program where parents and young children (ages birth to 5) will spend valuable connection time while developing school readiness skills. Activities provided will foster children's social, emotional, cognitive, physical and language development. Classes will include parent-child learning time, parent only discussion time and child skill building time.

School Services

Nutrition Services

Nutrition Services strives to ensure that every student is well nourished so that they may be at their best in the classroom. Our meals are healthy, well-balanced, and meet federal nutrition standards for school meals. Breakfast is free to all students, a program funded by the State of Minnesota. We look forward to helping your child establish healthy eating habits that they need to grow, learn, and play!

Lori Landowski, Director of Child Nutrition Services
Phone: 320-968-8561
Email: llandowski@apps.isd51.org

Transportation Services

Bussing is available to Preschool age students if they have an older sibling riding. Our Transportation Team makes the responsibility of ensuring that each and every one of our students has a safe, friendly, reliable means of transportation to and from school. We strive to greet our students with a smile in the morning and wave them off to home at the end of each day. To help ensure the safety of our students, we require all parents to complete a transportation request form to inform the office of the typical plan for student transportation at the end of the day. Especially for young students, it is important for the end of the day plans to remain consistent. If any permanent changes need to be made during the school year, please contact the office to complete a new form. This needs to be on file in order for permanent changes to take place.

Robert (Bob) Gross, Transportation Director

Email: clindberg@apps.isd51.org

Health Services

Foley School's Health Team continuously collaborates with educational and support services within the school to promote student health and maximize student achievement. Health aides are available in each school and help support the licensed school nurse. We strive to meet students' physical, social and emotional health needs, as well as promoting the health and safety of the entire school community.
