interest and principal payments on all then outstanding Bonds in each future Fiscal Year.

SECTION VI ANNUAL SPECIAL TAX REMAINDER

In any Fiscal Year which the Annual Special Taxes collected from Developed Property exceeds the amount needed to make regularly scheduled annual interest and principal payments on outstanding Bonds and pay Administrative Expenses, the School District may use such amount for acquisition, construction or financing of school facilities and certain costs associated with the maintenance and operations of school facilities in accordance with the Act, District proceedings and other applicable laws as determined by the Board.

SECTION VII TERMINATION OF SPECIAL TAX

In no event shall the Annual Special Tax be levied later than Fiscal Year 2070/2071. However, after an Assessor's Parcel has paid the Annual Special Tax as Developed Property for a period of thirty-five (35) Fiscal Years the Annual Special Tax shall cease to be levied on that Assessor's Parcel.

The Special Tax may cease to be levied in an earlier Fiscal Year if the Board has determined (i) that all required interest and principal payments on the Bonds have been paid, (ii) all authorized facilities of the District have been acquired and all reimbursements have been paid, and (iii) all other obligations of the District have been satisfied.

SECTION VIII EXEMPTIONS

The Administrator shall classify as Exempt Property Assessor Parcels that are (i) Senior Citizen Property, (ii) Commercial/Industrial Property, (iii) owned by the State of California, federal or other local governments, (iv) used as places of worship and are exempt from ad valorem property taxes because they are owned by a religious organization, (v) owned by a homeowners' association, (vi) burdened with a public or utility easements making impractical their utilization for other than the purposes set forth in the easement, or (vii) any other Assessor's Parcels at the reasonable discretion of the Board.

SECTION IX APPEALS

Any property owner claiming that the amount or application of the Special Tax is not correct may file a written notice of appeal with the Administrator to be received by the Administrator not later than thirty-six (36) months after having paid the first installment of the Special Tax that is disputed. The reissuance or cancellation of a Building Permit is not an eligible reason for appeal. In order to be considered sufficient, any notice of appeal must (i) specifically identify the property by address and Assessor's Parcel Number, (ii) state the amount in dispute and whether it is the whole amount or only a portion of the Special Tax, (iii) state all grounds on which the property owner is disputing the amount or application of the Special Tax, including a reasonably detailed explanation as to why the amount or application of such Special Tax is incorrect, (iv) include all documentation, if any, in support of the claim, and (v) be verified under penalty of perjury by the person who paid the Special Tax or his or

her guardian, executor or administrator. The Administrator shall promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax, and rule on the appeal. If the Administrator's decision is in favor of the property owner, the Administrator shall take any of the following actions, in order of priority, to correct the error: (i) amend the Special Tax levy on the property owner's Assessor's Parcel(s) for the current fiscal year prior to the payment date; (ii) require the District to reimburse the property owner for the amount of the overpayment to the extent of available funds, or (iii) grant a credit against, eliminate or reduce the future Special Taxes on the property owner's Assessor's Parcel(s) in the amount of the overpayment.

SECTION X MANNER OF COLLECTION

The Annual Special Tax shall be collected in the same manner and at the same time as ordinary ad valorem property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the District may directly bill all or a portion of the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and if so collected, a delinquent penalty of ten percent (10%) of the Special Tax will attach at 5:00 p.m. on the date the Special Tax becomes delinquent and interest at 1.5% per month of the Special Tax will attach on the July 1 after the delinquency date and the first of each month thereafter until such Special Taxes are paid.

SECTION XI INTERPRETATIONS AND ADJUSTMENTS

Interpretations may be made by the School District, without Resolution or Ordinance of the Board, for purposes of clarifying any vagueness or ambiguity as it relates to the Special Tax rate, the method of apportionment, the classification of properties, or any definition applicable to the District.

Without Board approval, the Chief Business Officer may make minor, non-substantive administrative and technical changes to the provisions of this Rate and Method of Apportionment that do not materially affect the rate, method of apportionment, or manner of collection of the Special Tax for purposes of administrative efficiency or convenience or to comply with new applicable federal, state, or local law.

The School District, upon request of an owner of land in the District that is not a Developed Property, also may amend this Rate and Method of Apportionment in any manner acceptable to the School District, without Resolution or Ordinance of the Board, upon the affirmative vote of such owner and without the vote of owners of any other land in the District, provided such amendment is only applicable to such owner's land and does not reduce the total Maximum Annual Special Tax in the District.
