SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- Visit the California Department of Education (CDE) SARC webpage at http://www.cde.ca.gov/ta/ac/sa/, for more information about SARC requirements.
- Visit the CDE LCFF webpage at http://www.cde.ca.gov/fg/aa/lc/, for more information about the LCFF or LCAP.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at https://www.caschooldashboard.org.

- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

TEACHER ASSIGNMENT

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered "ineffective" under ESSA), credentialed teachers who are assigned out-of-field (considered "out-of-field" under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE's Updated Teacher Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp.

SCHOOL FACILITIES
The Adelanto Elementary School District ensures that each school provides a clean, safe, and functional environment for learning through proper facilities maintenance and campus supervision.

AGE AND CONDITION OF FACILITIES
George Visual and Performing Arts Magnet School was originally constructed in 1952, and it has been moved to a brand new facility, built in 2010 which is currently comprised of 35 classrooms, a library, a staff lounge, and a multi-purpose room/cafeteria.

IMPROVEMENTS TO FACILITIES
Since our last inspection in July 2025, there following facility improvements have been planned/completed:
- Addition of a new shade structure
- Addition of new NFPA stage drapes

CAMPUS SUPERVISION
Adult supervision is present in all areas of the campus as students arrive in the morning, during lunch periods, and when students leave in the afternoon. School administration and teachers circulate in assigned areas of the campus; ensuring student conduct remains safe and orderly. Regular campus supervision is shared throughout the day by school personnel to ensure the campus remains safe while instruction is in progress. The school is a closed campus. During school hours, all visitors must sign in at the office and wear identification badges while on school grounds.

CLEANING PROCESS
The custodial supervisor works daily with three full-time custodians to ensure classrooms, restrooms, and campus grounds are kept clean and safe. Daily housekeeping and cleaning takes place in the afternoons and evenings. When school is not in session, custodial teams focus on deep cleaning of carpets, floors, windows, restrooms, and other major components of the campus.

MAINTENANCE AND REPAIR
George Visual and Performing Arts Magnet School provides a safe and clean environment for students, staff, and volunteers. School personnel routinely inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. The district administers a scheduled maintenance program, including regular facilities inspections, to ensure that all classrooms and facilities are well-maintained and in good repair. A work order process immediately alerts district personnel of any maintenance needed to be performed and ensures that emergencies are given the highest priority.

FACILITY INSPECTION MONITORING
A formal inspection report is prepared annually in accordance with Education Code §17592.72(c)(1). Adelanto Elementary School District uses the Facilities Inspection Tool developed by the California Office of Public School Construction to assess current conditions of the campus and identify facilities improvement needs.

FACILITY INSPECTION RESULTS
The chart displays the results of the most recent facilities inspection at the school. While reviewing this report, please note that even minor discrepancies are reported in the inspection process.

PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English Language Arts/Literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities).

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at https://www.https://caaspp-elpac.ets.org/caaspp/. The CAASPP System consists of the following assessments:

- Smarter Balanced English Language Arts/Literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

OTHER OUTCOMES
The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):
- Pupil outcomes in the subject area of physical education

PHYSICAL FITNESS ASSESSMENT
In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.
The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at http://www.cde.ca.gov/ta/tg/pf/.

PUPIL ENGAGEMENT
The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):
- High school dropout and graduation rates
- Chronic absenteeism rates

CHRONIC ABSENTEEISM
Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a "chronic absentee". Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

PARENT ENGAGEMENT
The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):
- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

PARENT INVOLVEMENT
Parents and community are very supportive of the educational program at George Visual and Performing Arts Magnet and Middle School. Parents are very active at the school, participating in Family Literacy Nights, as Parent Volunteers, PTSA, Fall Festival, Book Fairs, Fundraisers, Special Events, and student performances.. The school maintains an open-door policy with all students, parents, and community members. Parents are kept informed of school activities through the monthly school calendar, handouts, classroom newsletters, quarterly Coffee with the Principal meetings, the school's website, ParentSquare, phone blasts, and email notices and reminders.

SCHOOL CLIMATE
The SARC provides the following information relevant to the School Climate State Priority (Priority 6):
- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

SCHOOL SAFETY

The safety of students and staff is a primary concern of The Adelanto Elementary School District and its schools. The district is committed to providing all students with a safe learning environment.

During the COVID-19 pandemic, protecting the health and safety of staff, students and families is a priority. The district has created comprehensive health and safety protocols which include: cleaning, disinfecting and sanitizing, use of personal protective equipment, symptom screening, social distancing, hygiene practices, testing, and responding to positive cases.

The Comprehensive Safety Plan was developed by the school in consultation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe drop off and pickup from school, sexual harassment policy, bullying prevention policy, and dress code policy. To ensure student safety, staff members and playground monitors supervise students at all times before, during, and after school. All visitors must sign in at the office, obtain a visitor's badge, and sign out upon leaving. Additionally, the district offers a bullying reporting/prevention hotline where students and/or parents can make a report.

The school reviews the plan annually and updates it as needed. The plan was last updated in December 2024 and was reviewed with school staff. A copy of the safety plan is available to the public at the school office. Fire, earthquake, and intruder drills are conducted on a regular basis throughout the school year. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards.

SUSPENSIONS AND EXPULSIONS

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted.

PROFESSIONAL DEVELOPMENT

All training and professional development at Adelanto Elementary School District revolve around providing the best education and comprehensive support for all students. The district sponsors staff development days annually where teachers and support staff are offered a broad-based variety of professional growth opportunities to enhance their teaching and support practices. As part of the growth process, opportunities for training and staff development are provided at both the district and individual school sites to both certificated and classified staff throughout the school year as well as during non-contracted times. The district utilizes weekly early student release days on Tuesdays to allow for teacher collaboration, staff meetings and additional professional development opportunities. Additionally, teaching skills are built and educational concepts developed by staff participating in many conferences and workshops throughout the year, and then sharing their experiences and knowledge with district colleagues.
