PSEO Institution: _____ Full or Part Time PSEO: _____

My parents/guardians and I understand the requirements of the PSEO program and agree to the following. Please read and check each statement to agree:

- ☐ I understand that by enrolling in PSEO, I am treated as a college student. My ultimate success or failure is my responsibility.
- ☐ It is my responsibility to complete all steps of the PSEO application process and provide application documents to the PSEO college in a timely manner.
- ☐ I understand that I must complete a "Notice of Student Registration" form with my counselor's signature, and submit it to the college, prior to each semester I plan to enroll in PSEO classes.
- ☐ I will provide my counselor with an official PSEO schedule prior to the start of the EPHS semester.
- ☐ I understand that I must be a full-time student (either 12+ credits per semester at the college; or a combination of college and high school classes equaling full-time status). For example, 2 college credits is equal to 1 EPHS credit.
- ☐ It is my responsibility to make sure that I am enrolling in classes that will meet my EPHS graduation requirements. (See the EPHS PSEO Website)
- ☐ I understand that my parents will not have access to my grades, unless I show them.
- ☐ I will notify my counselor before making any changes to my schedule (changing classes, withdrawing from a class, etc), since these changes could jeopardize my full-time status and/or graduation status.
- ☐ I understand that my counselor does NOT have access to my PSEO grades until after they are finalized. Therefore, if I am in danger of failing a course, I will notify my counselor immediately.
- ☐ I understand my PSEO grades are the start of my college GPA and transcript. The grades that I earn in PSEO will be a part of my permanent college record.
- ☐ I understand that colleges have GPA and completion-rate requirements that I must meet. (Too many low grades or "withdrawals" can negatively affect my status and eligibility to enroll at other colleges).
- ☐ I understand that all grades I receive at the college will be placed on my EPHS transcript exactly as they appear on my college transcript, and will affect my high school GPA.
- ☐ I understand it is my responsibility to obtain missed information at EPHS (information about activities, prom, college rep visits, ACT, graduation, etc.). Seniors should check the senior webpage.
- ☐ I understand that Eden Prairie High School and my PSEO institution run on different school schedules and it is my responsibility to schedule my classes accordingly. EPHS will not excuse me from my EPHS classes to attend PSEO courses.
