February 20, 2026

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2024-25 educational progress for White Pigeon Community Schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Shelly McBride for help if you need assistance.

The District AER is available for you to review electronically by visiting the following websites www.wpcschoools.org or <https://bit.ly/4jvEmkA>. You may also review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

Please review the table below listing our schools. For the 2025-26 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student group in 2024-25. An Additional Targeted Support (ATS) school is one that had at least one student group performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, failed to exit CSI status in 2024-25, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no status label is given.
