

Reminders

CMAS Testing: The annual standardized CMAS testing window will begin April 6. We are finalizing the testing schedule. Please do not plan appointments for the weeks of April 6-17.

Parent Teacher Conferences: Please look for communication from your child's teacher on whether you need to schedule a conference for March 6th. All parents are welcome to schedule a conference. Teacher will reach out if your child has below a 70% in academic subjects, has an RTI plan that needs a signature or review, or if there are behavior concerns.

Winter Weather: Please send your child to school with a jacket and warm weather gear. Temperatures are closely monitored by the office and students will go outside on days when it is above 18 degrees.

TCA Parent Academy

The TCA mission statement begins with the phrase "TCA exists to assist parents..." One of the ways we've sought to come alongside parents is through our yearly TCA Parent Academy evenings. Every year we have parents asking for help in how they can best support their child.

This year, we are excited to offer a variety of sessions.

The Parent Academy will take place on March 12th at the Central campus from 6:00-8:30 PM. Please RSVP here:
