SAC Family Survey: One Week Left!

The Lincoln Academy School Accountability Committee has launched this year's family survey. The link will be active until February 27th at 10pm. It takes less than 20 minutes! Upon completion, you will be redirected to a raffle for a \$50 gift card donated by our amazing PTO and a homework pass to be used once for each of your students. The homeroom with the most participation will win a prize of their choice! Your feedback is important and helps guide decisions that improve our school community, programs, and student success. Every response matters- thank you for sharing your voice! Please use the following link: <https://www.surveymonkey.com/r/227FRCK>

Stargazing Event: TONIGHT!

The show will go on! Lincoln Academy is partnering with the Standley Lake Stargazing program to hold a fun and educational stargazing event tonight at 6:00 pm. Because of the cold weather and cloud coverage, this event will happen inside instead. Come to the courtyard outside the main office and we will all enter and meet in Mrs. Dwyer's ALP room. The stargazing program will give us an interactive tour of the night sky using 3D planetarium software and a demonstration telescope with scale models to view inside.

Parents/guardians have the opportunity to stay and can participate in the learning and viewing with their students! **This is not a drop-off event for students.** We expect to be done around 7:00 pm.

This event is open to all Lincoln students and their families and anyone participating must sign a waiver (you can [print and sign from this link](#) and bring it with you, or we will have copies available at the event). If you are completing the waiver for yourself and children, you can put the family name as the Participant and sign for your family on one waiver.
