

Parent or Guardian District and State Assessments *Opt-In* Request for Home School Student  
Steilacoom School Historical School District No. 1 **2025-2026 School Year**

The state allows, under certain conditions within the public-school setting, home school students to participate in the state testing. These students are required to follow the same standard procedures and guidelines that have been described in the Directions for Administration and Coordinator's Manual.

Students wishing to participate in the district and state testing must do so on the approved testing schedule of their home school with the other students in their tested grade.

Schools are not required to make special scheduling accommodations for Home School students.

We are requesting that our student \_\_\_\_\_ be included in the following:

**WaKIDS** (Kindergarten)

**WIDA Access/WIDA AIt** (by eligibility only)

**i-Ready Reading** (Grade K-5)

Reading      Grade  
Math          Grade

**Smarter Balance**

ELA            Grade  
Math          Grade

**WCAS:** Grade 5

**WCAS:** Grade 8

**AP Exam:** (Grade 9-12) list name of AP Exam to right

**WCAS:** (Grade 9-12)

**WA-AIM** (by eligibility only) Content Level  
Current Grade

We understand that we will need to work with SHSD Enrollment Office and Assessment Coordinator **Kristen Barton** for our student to attend their home school on the scheduled dates and times for the purpose of state testing.

SHSD will email assessment results upon parent or guardian request.
